FALSE FILIPINOS

CATHOLIC PROVINCIAL SAYS THEY HATE AMERICA.

PEACE ONLY A PRETENSE

BUT A FRACTION OF THE PEOPLE OPPOSED TO FRIARS.

BIG LADRONE DRIVE IS ON

ROUNDING UP BAD NATIVES IN CAVITE PROVINCE.

Rome, July 17.—Father Santiago Paya, provincial of the dominicans in the Philippines, who is staying here, when informed by the correspondent of the Associated Press of the result of Governor Taft's negotiations with the vatican on the subject of the friars and their land, expressed satisfaction at the acceptance of the first proposal of Cardinal Rampolla, the papal secretary of state, that the matter be discussed at Manila between an apostolic delegate and the governor in Manila. When asked what was likely to be the outcome, Father Paya replied:

"It is more important to know what will be the outcome of the matters between the Americans and Filipinos. Although the war is almost over, and the Filipinos now protest friendship for the Americans, they in reality dislike them just as they disliked the Spaniards. The Filipinos say they did not struggle against Spain to calmly surrender their independence."

Father Paya concluded with declaring that it was not true that the people were against the friars. The latter, he further asserted, were hated only by the native clergy, and a fraction of the people.

BIG LADRONE DRIVE.

Manila, July 17.—An extensive drive, with the object of capturing the Ladrone chiefs, Montallon and Felizardo, and fifty of their followers, is progressing in Cavite province. Twelve hundred constabulary, commanded by Captain Baker, moved today at daylight, forming a complete angle-shaped cordon, covering sixty square miles. Patrol launches are guarding the rivers. It is expected to close the cordon Saturday. The entire male population of the towns and farms will be included in the concentration movement. When it is completed the ladrones will be arrested and the others will be released.

FRETZ WAS AT INDIANAPOLIS

MISSING MAN WAS SEEN THERE ON SATURDAY.

An Auburn Acquaintance Talked With Him—Fort Wayne Friends Have No News.

(Special to The Sentinel.)

Auburn, Ind., July 17.—Yesterday Capt. Moses B. Willis, of this city, received a letter from his son, Lew Willis, who resides at Indianapolis, stating that he saw Lewis B. Fretz in Indianapolis on Saturday afternoon and had a talk with him. Mr. Willis does not indicate where Fretz may be at the present time.

Fort Wayne friends of the missing man have had no trace of him since he left the Davis home, on McClellan street, very early on Saturday morning, and when a reporter for The Sentinel gave members of the family the contents of the above dispatch this afternoon it was the first news they had received. The fact that Fretz was seen in Indianapolis at the time indicated would tend to show that fears of his suicide are groundless.

ABANDONED TEMPORARILY.

The project of erecting a club house for the young men of Emmaus Lutheran church has been temporarily abandoned in compliance with the wishes of several members of Emmaus congregation, who are unwilling to incur additional debt until the church debt is paid. The debt against the church will be liquidated by January 1st, when the plan of building the club house will be taken up again.

THE WEATHER.

Chicago, July 17.—Forecast for Indiana: Partly cloudy tonight and Friday, with probably local thunderstorms in central and northern portion this afternoon or tonight; slightly cooler in north portion Friday; southwest to northwest winds.

SNATCHED PURSE AND RAN.

Jennie Walker, a domestic, met a male friend by appointment last night and after strolling about the city for awhile, the young fellow became enamored of Jennie's pocketbook, which he snatched and safely got away with. The purse contained between $6 and $7 and a few trinkets. The girl says the robbery was committed on Brackenridge street and admits that she does not know the correct name of the young fellow with whom she was walking. She gave a fair description of the fellow, however, together with the name which he gave, and the police are pretty well satisfied that they can locate the lad.

HAS NEVER BEEN EXCELLED

WHEAT YIELD CONTINUES ITS GRATIFYING SHOWING.

C. S. Bash Says Allen County Crop Is Most Satisfactory in the County's History.

Charles S. Bash, who is recognized as excellent authority in the grain business in all its phases, today expressed the opinion that the wheat crop now being harvested will prove the most satisfactory in the history of Allen county.

The yield is furnishing some large surprises. From the very first the crop showing has been much in advance of previous estimates based upon the outlook, and Mr. Bash says that the earlier good showing is being fully sustained as the harvest progresses. He believes that upon an average of the entire county no previous year can be cited in which the wheat crop was more gratifying to the farmers.

The yield is showing from thirty to thirty-five bushels to the acre, and occasional pieces turn up with thirty-eight bushels. The berry is large and plump, and the quality is excellent.

AUTOMOBILES WILL RACE

INTERESTING EVENT AT DRIVING PARK SATURDAY.

Race Will be Given in Connection With Pennsylvania Sports—Four Entries.

An automobile race will be given at the Driving park on Saturday afternoon in connection with the annual field sports of the Pennsylvania company, and considerable interest centers in the event, as it is the first of the kind ever held in Fort Wayne.

There are four entries in this event, two of the vehicles being propelled by steam and the other two by gasoline, and the four carriages are supposed to be the swiftest in their class in the city. The result of the race will, of course, depend largely on the chaffeurs, and as the gentlemen who will handle the levers are possessed of surpassing skill, a fine race is assured. Harry Meyer and A. L. Randall are entered with gasoline carriages and Thomas Baxter and C. H. Doebler with steam vehicles.

Five miles is the distance to be run, the starters to finish within a time limit. Each vehicle will contain two men, one to look after guiding the vehicle and the other to attend to the levers and act as ballast on the turns. Four handsome prizes have been secured for this race, the first being a valuable vase donated by August Bruder.

There will also be a motorcycle race, in which there are several outside entries.

In the morning at League park there will be a base ball game between teams from the Pennsylvania shops in Fort Wayne and Allegheny City, Pa. The game will be called at 9 o'clock and admission will be free.

JOINS NEWSPAPER GANG.

Rud H. Dieterich, a gifted young Cincinnati newspaper man, has arrived in the city and today began work in Fort Wayne as a reporter on the Journal-Gazette. Mr. Dieterich has been for several years on the staff of the Cincinnati Times-Star. He was presented a handsome loving cup by his newspaper associates on the occasion of his leaving Cincinnati.

The Women's Foreign Missionary society of Wayne street M. E. church will meet Friday afternoon at 3 o'clock with Mrs. A. R. Walter, 912 West Creighton avenue.

TO FRAME TICKET

WAYNE TOWNSHIP REPUBLICANS MEET TONIGHT.

CONVENTION AT COURT HOUSE

SOME SCRAMBLE FOR PLACE AS JUSTICES.

SAY B. W. SKELTON WILL WIN

SOME OF THE DELEGATES CHOSEN LAST EVENING.

This evening the republicans of Wayne township will place in nomination two candidates for justice of the peace, two candidates for constable, three candidates for places on the advisory board and four for supervisor.

The convention will be called to order at 7:30 o'clock in the court house assembly room, and Thomas D. DeVilbiss will doubtless be chosen chairman. Nothing of an exciting nature is anticipated, and the only interest manifested is in the case of the justices of the peace. It is practically certain that Benjamin W. Skelton will get one of these places.

Mr. Skelton has been doing some campaigning, and he had a slate of delegates in every ward in the city. A majority of the wards gave instructions for Skelton, while other delegations will go into the convention divided. In addition to Mr. Skelton the list of candidates was augmented today when it was announced that Joseph Lombard, the veteran ex-mail carrier, and John B. Kelley, a grocer on Columbia avenue, were candidates for justice of the peace. Other candidates under consideration include Col. C. B. Oakley, C. C. Casterline, Emanuel Straus and Louis P. Huser, elected as a democrat and now closing his term of office. With one of the two justice's places conceded to Skelton, it looks like a fight between about six candidates for the other.

SOME OF THE DELEGATES.

Caucuses for the selection of delegates were held in all the wards of the city last evening. The delegates chosen, so far as had been reported to Chairman Harris up to noon today, were as follows:

First Ward—George Miller, James Orr, John Pfeiffer, Charles W. Buck.

Second Ward—J. B. Harper, R. B. Hanna, W. D. Shaffer, Erastus Shuman, I. Straus.

Third Ward—Wilbur Carpenter, Louis Heck, W. S. Patten, Dr. G. C. Keel, Wm. B. C. Kayser.

Fourth Ward—Col. R. S. Robertson, Judge R. B. Dreibelbiss D. L. Beaber, F. W. Keil, H. C. Moderwell, M. J. Blitz.

Fifth Ward—Harry Templar, C. B. Woodworth, W. F. Geller, Eph. P. Dailey, Theo. Frank, W. C. Etzold.

Sixth Ward—J. H. Bilderback, Fred Stetler, Floyd Golden, W. M. Glenn, J. W. Hayden, William Griebel, Ed N. Detzer.

Seventh Ward—I. N. Medsker, Peter Hamilton, William Schultz, Ed. White.

Eighth Ward—S. D. Bitler, G. W. Soliday, Henry Kessler, Fred Schmeling.

Ninth Ward—George Motz, George Brower, Elmer Young, Ed. Schoch.

Tenth Ward—T. D. DeVilbiss, Frank Beahm, William Knoch, Jasper Edsall.

LADIES ON A TROLLEY TRIP.

About fifty Fort Wayne ladies, guests of the Misses Swinney, left the city at 11 o'clock this morning in the special car Illinois over the Fort Wayne and Southwestern electric line to spend the day along that system. Conductor Saylor is in charge of the car. It is chartered for the day and is absolutely at the pleasure of the ladies regarding its movements. It is probable that the trip will be extended over the new sections of the road west of Huntington, and it is certain to be a very delightful affair.

MEETING OF FAIR PROMOTERS.

The stockholders of the Fort Wayne Fair association will hold a meeting in the Commercial club rooms, Wayne and Calhoun street, on Friday afternoon, at which officers will be elected and plans for the fair discussed. The fair will be held at the Driving park September 9 to 13 and the sum of $10,000 has been raised to insure its success.

OSMOND-RAUNER.

Miss Frances Rauner and Frank Osmond were quietly married last evening at the residence of Father Roche, at 8 o'clock. The young people had intended that the affair should be very quiet, but their friends accidentally heard of the event and arranged a pleasant surprise. When Mr. and Mrs. Osmond went to their new home, 825 West DeWald street, they found a large number of friends awaiting them and an impromptu reception was held. The guests brought many handsome gifts, together with refreshments, and the festivities continued until a late hour. Mr. and Mrs. Osmond have gone east on a wedding trip and will be at home after August 15. The groom is a machinist at the Bass works.

STEEL COMPANY ORGANIZED

OFFICERS ELECTED YESTERDAY AFTERNOON.

G. Max Hofmann Is President—Company Capitalized at $200,000 and Will Employ 200 Men.

A meeting of the stockholders of the new Fort Wayne Steel Foundry company was held yesterday afternoon in the offices of the Fort Wayne Trust company, and an organization was perfected. The following officers were elected:

President—Max Hofmann.
Vice President—Louis Fox
Secretary—F. E. W. Schcimann.
Treasurer—Charles S. Bash.

The board of directors consists of the above mentioned officers and Messrs. William Stephan, J R. Sinclair, E. H. Coombs, J. B. Reuss, J. W. White and Charles McCulloch.

A call for the first payment of stock was made at the meeting and a levy of 20 per cent will be made, payable August 1.

The steel company is the first concern to locate on the ground recently purchased from the Rockhill estate by the Commercial Land company and it will erect its plant at the juncture of the Pittsburg and Lake Erie tracks. The plant will require fifteen acres of ground, and it is believed that at least 200 men will be employed from the start.

The Fort Wayne Steel Foundry company is strictly a Fort Wayne concern, backed by Fort Wayne capital and having as stockholders the leading business men of Fort Wayne. The Montpelier steel plant, of which Mr. Hofmann is head, will be merged with the Fort Wayne company.

TURNERS ELECT OFFICERS.

The Turnverein Vorwaerts met last evening for the purpose of electing officers and making some changes in the constitution. The following officers were elected: President, Victor Kalteyer; vice president, Leonhart Jaxtheimer; corresponding secretary, Adolph Roggen; recording secretary, Adolph Puff; financial secretary, Gus Kedchum; treasurer, Dan Clemens; first turnwart, Louis Gauert; second turnwart, John Wagner; zeugwart, Arthur Lohse, and flagbearer, John Koch. Mr. Koch was also elected trustee for the next three years.

WARRANT IS ISSUED.

A warrant was issued by Judge Dreibelbiss this afternoon for the arrest of William Oetting, a dairyman residing on Walton avenue, on a charge of selling impure milk, preferred by Health Commissioner Macbeth. A sample of the milk sold by Oetting, which was tested by Dr. Macbeth, is alleged to have shown that it had been skimmed and that water had been added. Oetting will have a hearing before Judge Dreibelbiss tomorrow morning.

A LUNATIC'S DEED.

New York, July 17.—An insane man, whose name is thought to be Henry F. Kane, entered the New York Foundling Asylum today and shot Sister Serella in the left breast and Sister Angela in the fleshy part of the right arm.

Kane then ran into the grounds of the asylum and shot himself in the breast; making a flesh wound. Sister Serella is not expected to live.

EASTERN MEN COMING.

S. B. Fleming and his associates, who are to construct an electric railway between Fort Wayne and New Haven, are at work upon details for the organization of the company. It is announced that a number of eastern capitalists who are interested in the proposition will be in the city within a few days and it is probable the organization will be completed at that time. Work will then begin immediately.

Robert, the two-year-old son of Mr. and Mrs. John Foohy, is dangerously ill with cholera infantum.

OPPOSE A STRIKE

THAT IS THE SENTIMENT OF THE COAL MINERS.

IS NOT LIKELY TO CHANGE

RESPECT FOR CONTRACT THE DOMINATING NOTE.

BIG CONVENTION IS BEGUN

MITCHELL OPPOSES STRIKE AND PRESENTS PLAN.

Indianapolis, Ind., July 17.—At the meeting of the United Mine Workers today President John J. Mitchell strongly opposed the ordering of a sympathetic strike and advocated in its place the following policy:

1. That the treasurer of the order be directed to appropriate $50,000 for the relief of the anthracite miners.

2. That the unions appropriate for the same purpose as large a sum as they can afford.

3. That an assessment of $1.00 per week be levied on all members of unions.

4. That all officers of the National districts drawing a salary of $60 a month or over contribute 25 per cent of their salaries.

5. That an appeal be made to all trade unions and citizens generally to aid the cause of the miners.

6. That an address to the American people be issued appealing to the American people to bring such pressure to bear as will compel the operators to submit to arbitration.

At the conclusion of the president's address a motion was made by W. D. Ryan, of Illinois, that the suggestions of Mr. Mitchell be adopted. A long and animated discussion followed.

THE DOMINANT FEELING.

Indianapolis, Ind., July 17.—With all the delegates who are to take part in the convention of the United Mine Workers on the ground, there is no more sentiment in favor of a strike than there was last night.

The opinion is steadily gaining ground among the delegates that a strike would lessen the chances of the anthracite miners to win their fight, for the reason that it would take from them all the support that the soft coal men will be able to extend if they continue at work. Then, too, there is a genuine dislike among the soft coal men to take action that will place them in the position of violating their contracts with the mine-owners. While it is impossible to predict what any body of the men will do with a given question when there is a chance that the gathering may be swept from its feet by a few impassioned speeches, the aspect of the convention when it opened this morning was adverse to a strike.

FIRST SESSION OPEN.

The convention began in Tomlinson hall, with an attendance of about 900 delegates. Nearly every man on the floor was the possessor of several proxies, some holding as high as five and others from four to two.

The first session was not of an executive character and there were many spectators present anxious to witness the proceedings of what has been heralded as one of the most important gatherings of laboring men held in recent years. The first part of the session was devoted to addresses of welcome from municipal officers of Indianapolis and responses in behalf of the union.

CHEERS GREET MITCHELL.

President Mitchell was greeted with cheers when he appeared on the platform. Secretary Wilson, following close after, shared the applause. Prompt to the second President Mitchell brought down his gavel, saying: "The hour of 10 having arrived, the convention will be in order." Secretary Wilson then read the call for the convention and President Mitchell called for the report of the committee on credentials. The reading of this by Michael McTaggart, of the committee, consumed much time, as the report contained the name of every delegate, with a statement of the number of votes possessed by each man.

Delegate Campbell, a colored man from Kentucky, moved the acceptance of the report and the continuation of the committee. This was done and the convention adjourned until 1:30 p. m.

BROCKERMAN—STANDARD.

Miss Anna E. Standard and William C. Brockerman were married this afternoon at 2 o'clock at the Wayne Street M. E. parsonage by Rev. Asher S. Preston. Mr. and Mrs. Brockerman will reside on Eagle avenue.

MISHAP BLOCKED TRAFFIC.

Wednesday afternoon an immense load of hay was accidentally overturned at the intersection of Fulton and Sturgis streets, blocking traffic for a time on the Southwestern. When the interurban car reached the obstruction, employes and passengers alighted and assisted the unfortunate farmer in getting his hay off the tracks.

KINGMORE GOT THIRD MONEY.

Frank Pearse returned at noon today from Lima, O., where he was in attendance upon the harness races. Kingmore, now in charge of Pearse Brothers, started in the 2:25 class there yesterday and came second twice and fourth once, getting away with third money.

AN ORGANIZATION EFFECTED

FALL FESTIVAL ASSOCIATION ELECTS OFFICERS.

Festival Will Be the Biggest Gala Event Since the Centennial—Opens August 25.

The promoters of the fall festival met last evening in the Commercial club and organized, electing the following officers:

President and Director General—L. C. Hunter.

Vice President—L. A. Centlivre.

Secretary—J. B. Monning.

Treasurer—Henry A. Wiebke.

Executive Board—Ora Seaney, Frank Falker, Frank Edmunds, John Lassus, C. B. Woodworth, August Jackson, Dr. J. A. Williams, Charles Bryson and William Malle.

Committee on Selection of Grounds—L. C. Hunter, Ed Kleindinst and Bert Lichtenwalter.

Another meeting of the association will be held in the Commercial club rooms on Friday evening, when the committee on grounds for the Gaskill-Mundy attractions will report. A number of sub-committees will be appointed at this meeting.

The fall festival will be held during the week beginning Monday, August 25, and the promoters say it will be a gala affair, surpassing anything ever attempted in Fort Wayne, with the probable exception of the centennial. A different program will be given every day and there will be mardi gras, industrial and other parades, and attractions of every kind such as band contests, games, fireworks, etc.

The association has closed a contract with the Gaskill-Mundy company, which controls fifteen shows of the highest class. This company has been exhibiting its attractions in many of the towns and cities in Indiana and Ohio and the shows are most highly spoken of.

The week selected in which to hold the festival is at a time when Fort Wayne merchants are least busy and when farmers have most leisure to come to the city. That there will be many thousands of visitors in Fort Wayne during the festival is an assured fact, the Central Traffic association having granted a rate of a fare and a third in the district within a radius of 100 miles of Fort Wayne.

The association will open an office in a few days and will begin advertising the festival extensively. Every town within fifty miles will be billed, and it is probable that envelopes similar to those used during the street fair will be issued.

MARRIAGE LICENSES.

Andrew F. Ausman and Frances J. M. Rauner.

James K. Smithers and Dora Derr.

William C. Brockerman and Anna E. Standard.

LOCAL LINES.

The Women's Missionary society of Westminster Presbyterian church will meet at the home of Mrs. M. Gerard, 45 Wagner street, Friday afternoon at 2:30.

A member of the family stated to The Sentinel today that Fred Vordermark's condition was somewhat improved and there is expectation of his being able to be about in a few days.

J. M. Jillich, traveling passenger agent for the "Frisco" system, was in the city yesterday and last evening the guest of Col. R. G. Thompson, of the Wabash line, and other friends.

Miss Gertrude Wessel gave a 6 o'clock dinner last evening in honor of Georgia and Corinne Forbing, of Shreveport, La., and Eleanor and Gertrude Forbing, of Decatur. The young people went to Decatur on a visit today.

SENATOR HANNA AT WINONA

WILL LECTURE THERE MONDAY, JULY 28.

He Will Discuss the Problem of the Relations of Capital and Labor on That Day.

Winona Lake, Ind., July 17.—For the past month the republican state committee has been making an effort to get Senator Hanna to come to Indiana this fall to help out in the state and the congressional campaigns by a series of speeches. Word has been received through Senator Beveridge that the Ohio senator would come to Indiana for a few days. His dates have not yet been made. The people of this section of the state, however, will have their opportunity of hearing Senator Hanna speak at Winona Lake the latter part of this month, but not along political lines. Senator Hanna has of late attracted world-wide attention by his attitude and by his suggestions how capital and labor can best work to their mutual interests. It is on this theme that he is to speak before the Winona assembly Monday, July 28, and to many it will be more interesting than a talk along political lines.

Additional interest will be given to the event by the presence of Samuel Gompers, president of the American Federation of Labor, who will speak, following Senator Hanna. In his line, Gompers is quite as much of a giant as is Senator Hanna, and under certain conditions probably wields greater national influence and power, as he has all the great union bodies of the country at his command. Gompers is as interesting as a talker as is Senator Hanna and is one of the most accomplished men before the American people today. He is able to address his tradesmen fluently in six different languages and can hold conversation in a half dozen more. This is of incalculable value to a man in his position, and this statement gives some idea of the ability of the man who wields the scepter of labor.

The people of this section of the state have not had an opportunity to hear Senator Hanna in the role of speaker and lecturer, and those who have always considered him a silent factor, whose most effective methods are in directing affairs instead of preaching them, will have a most delightful surprise. He is one of the most forceful speakers before the public today. He does not rely on set oratorical rules of gesture and expression so much as in making clear, hard statements and driving them home with the force of a sledge hammer. This is Mr. Hanna's first talk on the labor problem in Indiana.

A. R. Bass, of Morgantown, Ind., had to get up ten or twelve times in the night and had severe backache and pains in the kidneys. Was cured by Foley's Kidney Cure. Sold by Dreier & Bro. and Pellens & Polster.

NEWS OF THE POLICE.

Philip McGovern, a hobo tourist, was arrested with a jag early yesterday forenoon, but two of his partners got away. Later in the day the other two were taken into camp after a short but decisive battle between the hoboes and several officers on the day force. McGovern denied being drunk, but admitted that he had shot in a few beers and when arrested was trying to stand still and see the houses go by. He got $5 and costs, and so did Edward McGraw and Frank Simpson, his two partners, and the trio went over.

Charles Gordon was just as drunk as the other fellows, but he wasn't quite so fresh and not quite so tough. He admitted to being intoxicated, said he had never been arrested before and was not connected with McGovern & Co. He fared pretty well, getting out of the muss with eleven days.

Isaac Smith was rounded up as one of the young fellows who was in the party which heaved a brick through the plate glass window at Stein's liquor store a few nights ago. He pleaded guilty to associating with prostitutes and was fined $5 and costs, , which he paid. Ed Houser, Frank, Hamilton and Archie Nickum were also arrested in the same crowd and for the same offense. They, with, Kinsley alias Jones, who was fined yesterday morning, and Isaac Smith, had been having a time with the girls who live over 122 Columbia street and all were pretty well loaded. An altercation ensued, during which a convenient Metropolitan paving block was hurled through the window. Everybody got away at the time, but all were known and the arrests followed very promptly. The last three were not ready for trial this morning and their case was continued until next Monday morning at 8 o'clock.

A diamond thief, supposed to be G. B. Lane, was operating at the Elks' carnival at Lafayette this week and this morning the local police were [illegible] to look out for him. He is known to the local authorities and is regarded as one of the smoothest diamond sneaks in the country. A liberal reward is offered for his apprehension.

DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

POISONING THE SYSTEM.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dullness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and promote easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress. Meyer Bros. & Co.

CAME NEAR COSTING HER LIFE

HOBSON RESCUES GIRL WHO TESTS HIS DARING.

Hero of the Merrimac Jumps Into the River After Girl Who Leaped Into the Water.

St. Louis, July 17.—A girl's folly came near costing her her life at the Piazza Chautauqua, near East St. Louis, yesterday afternoon. But for the strong arms of Captain Richmond Pearson Hobson, the Cuban war hero, Miss May Cerf, of 1907 LaSalle street, East St. Louis, would have drowned. She was standing on the deck of a river yacht when she passed the naval officer swimming in the water. She had met him before, and as he smiled at her the girl called out banteringly:

"If I should fall in, Captain Hobson, would you rescue me?"

"I most certainly would," replied the lieutenant.

The words had hardly left his mouth when there was a splash, and the girl sank in the waters of the Mississippi. For a second only her skirts buoyed her up. As the white sailor hat worn by the girl went under the water the crowds on the banks of the river screamed with fright.

Captain Hobson realized the danger. He saw the joke had been carried dangerously far, and he started with long, strong strokes for the spot where the girl had sank. Albro Gilberson, of Elsa, Ill., his companion, swam with him.

To the terrified men and women on the deck of the yacht it seemed an age before Hobson reached the spot where the white sailor hat was seen last. He seemed to find no trace of the girl there, but shouts and gestures from the boat informed him that she had drifted a few yards down stream before sinking. Captain Hobson turned with the tide and floated, while he peered in the depths of the yellow water for the form of the girl.

Suddenly he dived and after a few minutes he reappeared on the surface with his arm grasping the shoulders of the struggling girl.

Probably Captain Hobson would not have been able to save the young woman without his friend's assistance. Although he is a fine swimmer, the current was strong, the girl's garments were very heavy and her struggling made it almost impossible for him to make any headway against the river.

It was all the two men could do to keep the girl's head above water until the yacht was finally brought so close that those on board could assist in the rescue.

Miss Cerf was too weak to speak or stand when eager hands grasped her. Both Captain Hobson and his companion were exhausted.

After a vigorous pounding and the administration of restoratives Miss Cerf revived, very limp, but smiling. To one of her girl friends she said:

"I know it was very foolish, but I knew I should be rescued."

Then she looked at Captain Hobson, who smiled rather grimly as he leaned against the deck rail. He congratulated her on her narrow escape from death and went into the cabin to put on his flannels.

Tuesday afternoon Captain Hobson delivered a lecture at the Piazza Chautauqua on a naval subject, and at its conclusion Dr. Jay A. Ford, in charge of the platform, delicately referred to the kissing proclivities of the hero of the Merrimac. He said:

"I now extend the invitation to the audience to come up and shake hands with Captain Hobson—shake hands, that's all."

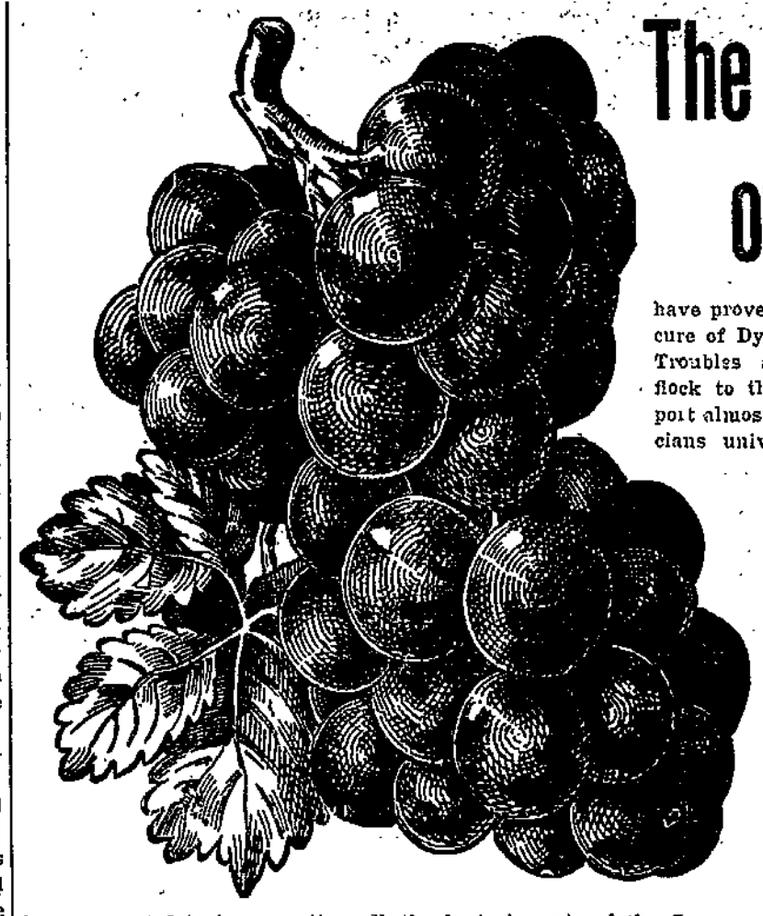
A broad smile and some tittering passed over the assembly, and Captain Hobson good-naturedly joined in the smile. Afterwar da party of young ladies who were invited, with the captain on the yacht "Camilda" discussed the remark.

"Well, you can't get him to kiss you," said some one to Miss Cerf, while the officer and Mr. Gilberson were in swimming. That banter came near costing two lives.

WILL GO TO HUNTINGTON.

Colonel and Mrs. Hathaway, Adjutant and Mrs. Gue and Lieutenant Wright, of the Salvation Army headquarters here, will go to Huntington tomorrow to conduct a ten days' campaign in that city. Colonel Hathaway has lately been strongly urged by Huntington citizens interested in the good work of the army to come there and inaugurate the work. The meetings in this city will be suspended during the progress of the Huntington campaign. The large tent that has been pitched for several weeks at the corner of Ewing and Main streets here will be taken to Huntington.

The guests of honor at the dance given by Dr. and Mrs. M. F. Porter last evening were Miss Morehouse and Miss Margaret Morehouse, of Danville, Ill.; Miss Arny and Miss Yeattes, of Philadelphia; Miss Kelley, of Racine, Wis.; Dr. Weaver and Mr. Sibley, of Peru, Ind.



The Grape Cures of Germany

have proven to be almost infallible agents for the cure of Dyspepsia, Constipation, Liver and Kidney Troubles and General Exhaustion. Thousands flock to them from all parts of the world, and report almost miraculous cures. Progressive physicians universally recommend them.

Duplicated In America

You need not go to Germany now for the benefits of the Traubenkur or Grape Cure. The manufacturers of

MULL'S GRAPE TONIC

after years of careful experiments have succeeded in incorporating all the best elements of the German Grape Cure in this preparation, and have placed it on general sale in drug stores all over the country at only 50 cents per bottle. This is the most important step in medical chemistry taken in many years.

In the Summer Take Mull's Grape Tonic.

The heat of the summer tries the strongest constitution, and to those who are not able to go away for a long rest and change of air, Mull's Grape Tonic comes as a blessing of inestimable worth. To the enfeebled and sickly, it supplies fresh vitality and builds up the wasted tissues, infuses new life into the impoverished blood, and strengthens the entire human organism. Nor is it wise to wait until you are "all run down" before thinking to take it; you do not wait until the fire is nearly out before putting fresh coal on—then why treat your own body that way? If you are well, Mull's Grape Tonic will keep you well; if you are not well, Mull's Grape Tonic will make you well.

These Are Strong Testimonials.

For a mild Laxative and a general Family Medicine for man, woman or child, I consider Mull's Grape Tonic the superior of any remedy. It's pleasant to take, prompt in action, and the results are wonderful. Its power in building up a weak and run-down system is greater than any Cod Liver Oil preparation. I've tried them all. I write this hoping that some of my friends will read and profit by it. MRS. WM. STILES, Glenwood Springs, Colo.

I was an object of pity, for my suffering was great, before I began using Mull's Grape Tonic. The pains over my hips and in my back were frightful. The doctor pronounced it Rheumatism and Kidney Trouble, but he did not help me. The neighbors had given me up once this summer, but, thank God, I am here yet, and I know Mull's Grape Tonic saved me. God bless you and your wonderful medicine. MRS. M. G. HONEYCUT, Center, Texas.

Gentlemen: I send you the picture of my little daughter, Nettie, who has taken Mull's Grape Tonic and been greatly benefited by it. She was troubled with catarrh in the head, and her general health was very poor. Since taking this medicine she is much stronger and her catarrh is nearly gone. I will have her continue using your tonic until she is perfectly well.

S. STERLING, 1208 S. Second St., Des Moines, Ia.

Our faith in it is so absolute that those who buy it and get no benefit may have their money back.

NOTE---If used with a little chopped ice in hot weather it will be found a delicious drink.

To smokers in Fort Wayne AND VICINITY

WE are doing everything possible to post you about the remarkable tobacco-quality offered in the TOM KEENE. It is now for the first time in the history of tobacco culture that a cigar of such character is sold for five cents. These cigars are made of a genuine delicious American-grown Vuelta tobacco, and conveys many of the best points heretofore given only in the highest grade goods.

The transplanting of the Vuelta sprouts to this country is the sensation of the tobacco trade. It is the first and only time it has ever been pushed to a successful issue. Through this the manufacturers of the TOM KEENE escape the heavy importation duty and are enabled to offer the American smoker that peculiar rich, velvety flavor for the first time in nickel goods.

Smokers who can appreciate a good cigar are the strongest missionaries for the TOM KEENE. All who try them are almost invariably found by dealers to return for more. We have never in our long experience witnessed such popularity for a cigar.

If you have never tried a TOM KEENE, just do so. You will wonder at its distinctly surpassing excellence over anything you ever smoked before at the 5 cent price.

Mrs. L. P. Sharp, of Lake avenue, gave a charming afternoon party yesterday in honor of her sister-in-law, Mrs. T. H. Rainey, of Los Angeles, Cal., who has been visiting in the city. Mrs. Rainey leaves soon for Iroquois, Ont., where she will make an extended visit before returning home to California.

Harry Ross was in Valparaiso Tuesday and played before an immense audience on the occasion of the commencement exercises of the musical academy in that city. Mr. Ross played three very difficult numbers: Spohr's Eighth Concerto, Chopin's "Remenzi," nocturne in B flat, and Ernst's "Elegie." Mr. Ross sails on August 20th for Europe, where he will study under the leading masters of the violin.

NO FALSE CLAIMS.

MAY HAVE A LAUNCH RACE.

There is some rivalry among the launch owners at Rome City as to who owns the speediest craft, and many impromptu races are held every week. There are several very fast boats on the lake and some of the races are decidedly interesting. A number of the cottagers propose holding a launch race some time in the near future, or during the Venetian night festivities. The race will be open to all and the winner would be recognized as the flag-ship of the fleet and receive a suitable cup, to be raced for every season. The leading builders of launches are represented on Sylvian lake, the boat built by the Kehoe company of this city and belonging to Landlord Mills, of the Wayne hotel, being the largest owned by private parties.

GOOD AS CANDY.

Children Like Grape-Nuts.

Wise selection of food will help any one. The healthy people can keep well and those who are ill can obtain sure benefit by the steady use of Grape-Nuts.

A lady says, "To say that Grape-Nuts Food has been a help to me is putting it very mild indeed. For seven years I was an invalid suffering from extreme nervousness and weak, tired, exhausted feeling. I was compelled to lie down several times each day and the least exercise exhausted me. I was also unable to sleep nights.

I read many times of the remarkable results from the use of Grape-Nuts Food and finally decided to try it.

I ate Grape-Nuts three times a day in different styles for about three months, then twice a day, and have realized a wonderful benefit. I have grown strong and almost entirely well. Can do all my own work, and seldom have to lie down until I go to bed at night, then I enjoy restful sleep.

I do not become fatigued as I used to and am able to study more in my line of work (music). My brain does not get weary as it used to. My stomach is strong and I can and do eat three hearty meals a day.

We would hardly know what to do without Grape-Nuts for the house. The children often say, 'Mamma, make a great big pudding this time.' They enjoy the food as they would candy." Name given by Postum Co., Battle Creek, Mich.

The mayor's most recent order applied to this particular phase of the social evil in Fort Wayne and it is hoped there will be an immediate forward movement by the police on such resorts as remain on Columbia street —and other streets down town. The gambling situation is reported to be vastly improved, with not much more to be desired than that the mayor will cause the present condition to be permanently maintained. The only good there is in reform is that it shall stick, an aspect of the case that has been deplorably and conspicuously lacking heretofore in Fort Wayne.

OFFICIALS WILL OFFER THE LOTS FOR SALE.

An Appeal to the People of Fort Wayne by the Directors of the Commercial I mprovement Company:

The Commercial Improvement company has purchased from the Rockhill and Swinney property sixty-one acres of land and about forty acres has been platted into building lots and the balance is to be reserved and will be donated for factory sites. The land lies west of the city, and is adjacent to the Pittsburg, Fort Wayne and Chicago and Lake Erie railroads, thus giving excellent facilities for shipping purposes.

The Fort Wayne Steel Foundry company will locate on this ground, if some substantial encouragement is given it in the way of ground and buildings. This company guarantees to employ at once 200 men, and will be a most desirable acquisition to the city. The stockholders of this company are some of Fort Wayne's most enterprising and substantial citizens, and their assurance that they will require at least fifteen acres of land and will ultimately employ 500 and perhaps 1,000 men, should be given due consideration.

The main building will be 60 feet wide, 480 feet long and 35 feet high, and will probably cost from $50,000 to $60,000.

Now the Commercial Improvement company proposes to give them five acres of ground and raise $30,000 to help defray the cost of their main building. To do this the Commercial Improvement company will have to sell nearly all its lots. Streets, sidewalks and main sewer will be completed.

The Fort Wayne and Southwestern Traction company's lines run through the property and will give a five-cent fare to and from the city. The lots will be 40x140 feet, and the low price of $250 each has been placed upon them. The terms of purchase are to be: $25 down, $25 at the end of thirty days, and $12.50 at the end of each thirty days thereafter until all is paid. These easy terms make it a simple matter for people even in very moderate means to own lots. Nearly all the employes of the steel plant will want to live near their work. These lots can be bought for speculation, or to put houses on for renting purposes, as an investment. No matter which plan is pursued the value of the lots will increase rapidly, and in fact will be worth double their present price before they are paid for. Now it is up to the people of Fort Wayne to show what encouragement they will give to a progressive movement of this kind; with what spirit of enthusiasm they will buy these lots; this will measure the amount of civic patriotism they possess.

Many people have already promised to buy from one to six lots; a committee will start out Friday and call upon the business people, principally, to see how many lots each is willing to take; let no one refuse; if you cannot buy several, take at least one, to show your good will for the project and your loyalty to Fort Wayne.

Subscriptions for these lots will be opened at once and any one desiring to purchase can call on or address H C. Rockhill, secretary.

MRS. EDITH SPRADO DIES IN CHICAGO.

Will Be Remembered as Miss Edith Fairman Frankenstein, Formerly of Fort Wayne.

From Chicago comes the sad news of the death of Mrs. Edith Sprado, wife of Ralph Sprado, a prominent mechanical engineer in that city to whom she was wedded about two years ago. Mrs. Sprado was but twenty-one years of age.

Mrs. Sprado was at one time a resident of Fort Wayne, and will be remembered by many friends here as Miss Edith Fairman Frankenstein. She was the daughter of Mrs. M. L. Frankenstein by a previous marriage to the late Hon. J. K. Fairman, of Elmira, N. Y. Mrs. Frankenstein is now the widow of the late Dr. Frankenstein, formerly of Fort Wayne. Upon her father's side the daughter was a descendant of some of the earliest familes in America, and upon her mother's side from the Earl of Rochester.

In her girlhood the young lady attended the old Clay school, going from there to Westminster seminary. In Chicago she had developed the vocal and dramatic talents which she possessed to a marked degree. The deceased will be recalled as an unusually beautiful young woman, of brilliant ability and charming attributes. Since her marriage she had made her home with her mother at 897 Washington boulevard, Chicago. The bereaved husband is at present in Australia on a business trip. Other surviving relatives include the mother and two sisters, the Misses Beatrice M., and Virginia G. B Frankenstein.

IN JUSTICES' COURTS.

Henry Schroeder, living on East Wayne street, between Grant and Walton avenues, filed an affidavit in Taney's court charging Daniel Wolf, who also lives on East Wayne street, with assault and battery. Both men are over sixty years of age. Schroeder claims that Wolf hit him with a stone, but this is not credited by any one who knows Wolf, who is regarded as a very mild-mannered and peaceable man, while Schroeder is regarded as a crank and is not on good terms with many of his neighbors. The case will be tried tomorrow.

The charge against Frank Craig, preferred by Melissa Hiser, alleging illegitimate parentage, will be tried next Monday. Meanwhile Craig has been remanded to jail in default of bail.

The July Stock Reduction Sale

Moves with its usual Magnet-like power---It draws.

We do not claim to have bale after bale, case upon case and thousands of yards of surplus goods that we have mistakenly bought, and are forced to get rid of at half the price we paid for them. We know that kind of advertising, to you, is amusing, but not creditable.

We have our usual amount of surplus stock in a number of departments, and in order to induce you to help us to cut this down, we make a general and genuine reduction in price on every article in our whole stock, with the greatest cut upon that portion which we wish especially to move.

This is reasonable advertising, reasonable selling, that wins the confidence of the public.

When you buy a yard of silk from us at 48c, you can be certain that it was not goods that we had been selling at 50c, advertised as worth 65c,, to be sold at 48c

When you buy anything in our suit and cloak room as a greater than usual bargain, you can depend upon it as being such, and not an article that has been advertised at a fictitious price and a supposedly startling reduction made on that price.

Goods bought at this month's prices are likely to prove bargains of more than ordinary value. Owing to present and expected labor troubles, the closing of a number of mills in many lines, will have a tendency to make goods scarce and, therefore, to say the least, no cheaper.

Purchases at our prices this month will be good investments for you.

RECEIVE DEATH'S SUMMONS

MRS. ELIZABETH FAILOUR DIES AT AGE OF 75.

Ernest Heuer, Well Known Wabash Shopman, No More—Other Deaths and Funerals.

Mrs. Elizabeth Failour, 75 years of age, and for more than half a century a resident of Allen county, died at 9 o'clock this morning at her home on the Decatur road, two miles south of the city. Death was due to a complication of diseases, and the deceased had been in frail health for more than a year.

Mrs. Failour was the widow of Jacob Failour, who died about twenty years ago. She was born in Ohio, but came with her parents, Mr. and Mrs. Joseph Keffer, to Fort Wayne when she was but ten years of age. For a short time they resided at Kendallville, but soon returned to Fort Wayne and later purchased a small farm south of the city.

Mrs. Failour was a most estimable woman, and a devoted member of St. Patrick's Catholic church. Surviving are three children—Wilson and Jacob Failour and Mrs. J. Trempel.

The funeral services will be held Monday morning at 8 o'clock from the residence and at 9 o'clock from St. Patrick's church.

HEUER.

Ernest Heuer, assistant foreman at the Wabash shops, died at 8 o'clock Wednesday evening from stomach trouble at his home, 1209 Summit street. Mr. Heuer was 50 years of age and widely known among the shopmen of the city.

He was born in Germany in 1850, came to Fort Wayne thirty years ago, and within a short time obtained a position in the Wabash shops. Here he rose by industry and merit to the position held at the time of his death. Though in impaired health for a long period of time, he had been confined to the bed but six weeks.

Mr. Heuer is survived by the widow and a son, Ernest, jr. The deceased was a prominent member of St. Paul's Lutheran church.

Funeral services will be held Sunday afternoon at 2 o'clock from the residence and at 2:30 from St. Paul's Lutheran church.

WILLIAMS.

Mrs. Emma Williams, wife of George Williams, died Wednesday night at the family home, 2538 Walton avenue, from tuberculosis. The family removed to Fort Wayne about two years ago from Lima, O.

Surviving are the husband and five children—Mrs. Steger, of Lima, and George, Charles, Raymond and Martha Williams, of this city. The remains were taken to Lima today and the interment will occur in that city.

SULLIVAN.

Stephen Clement Sullivan, the little son of Mr. and Mrs. John F. Sullivan, of 817 Cottage avenue, died Wednesday night from bowel trouble at the age of two years.

PASSINO.

Funeral services for Joseph Passino, whose death was briefly announced in The Sentinel Wednesday evening, will be held Friday morning at 8:30, o'clock from the residence, 2115 Lafayette street, and at 9 o'clock from St. Patrick's Catholic church.

Mr. Passino, who had reached the age of 79 years, was one of the veteran machinists of the city, having been employed twenty-eight years in the shops of the Pennsylvania company. For the past ten years, however, he had been upon the retired list. He was born in Canada in 1824 and descended from an old French-Canadian family. At the age of 15 he removed to Boston, and twelve years later located in Detroit, where he was married to Miss Rose Guerin, who survives him. The family came to Fort Wayne in 1859.

Surviving are the widow, a son and a daughter—Russell J. Passino, of Grand Rapids, and Mrs. Joseph Steiner, of Yokum, Texas. Mrs. George Passino, of Toledo, is an adopted daughter.

FUNERAL ANNOUNCEMENT.

Mennewisch.—Funeral services of Henry Mennewisch will be held from the residence, 2102 Oliver street, Saturday afternoon at 2 o'clock, Rev. C. F. W. Meyer officiating.

ABOUT THE COURT HOUSE.

Persons suffering from nervous prostration or in need of absolute quiet should arrange to spend their summer vacation in the Allen county court house. The catacombs are like dens of revelry compared to the sepulchral stillness which pervades every nook of the county building. Neither of the courts is in session, the commissioners have retired to their individual fig trees and other cool spots, the most of the clerks are on vacation, and nobody is working hard except Deputies Eicks and Ryan. They take it turn about keeping each other awake. Not a new case was filed today and the only thing that happened about the building all day was when Deputy Clerk Bercot was awakened by a man who, in a deep bass voice, demanded the privilege of buying himself a marriage license. In the sheriff's office there was just a show of activity.

Deputy Huguenard was sent to the Godfrey reservation shortly before noon to arrest John Godfrey on a charge of assault and battery on a man named Wellbaum. Godfrey had a gang of threshers at his place yesterday, and according to the terms of a contract provided for in the apportionment of the products of the reservation, Godfrey was to have surrendered several one-tenth parts of the crop to other heirs, and Wellbaum was the selected tithe-master. When he demanded the several tenths yesterday after the threshing was concluded he got nothing except an invitation to leave the premises before trouble set in. There was an argument and other diversions and the result was the filing of an affidavit before Justice France. The warrant was placed in the hands of Deputy Sheriff Huguenard.

Elated by recollections of their success last year, the court house clerks are getting swelled on themselves again and have challenged the lawyers to play a game of base ball at any time of the day or night and at any place on or off the map. The proceeds are to be devoted to buying oil for the court house clock.

A FRIEND'S ADVICE

WILL OFTEN HELP YOU GREATLY—READ WHAT A FORT WAYNE CITIZEN SAYS.

You may hesitate to listen to the advice of strangers, but the testimony of friends or residents of Fort Wayne is worth your most careful attention. It is an easy matter to investigate such proof as this. Then the evidence must be conclusive. Read the following:

Mrs. John Falcones, of 71 West Williams street, says: "I gave Doan's Kidney Pills, sold at Meyer & Co.'s drug store, a good trial and I can honestly say that I believe them to be the most worthy remedy and one that can be depended upon in any case where it is possible for medicine to cure. Kidney complaint seems to run in our family and I suffered from it for a long time. Before I began to take Doan's Kidney Pills I had terrible pains across the small of my back, and it was so lame that I could hardly stoop or move about to attend to my household work. After I finished the second box of this valuable remedy all the symptoms of my former trouble passed away."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

FORMER CLERK TAKES A POSITION IN THE SOUTH.

ED PARRY MAKES A CHANGE

BECOMES EXPENSE CLERK AT NICKEL PLATE WAREHOUSE.

The Grand Rapids and Indiana company brought in a special train of nine coaches and a baggage car at 9:15 o'clock this morning, filled with excursionists and their luggage, bound for Winona. The train started from Richmond, picking up passengers at all points en route, and came in here with 415 people aboard. It was hauled by engine 72 and was in charge of Conductor James J. Hayes and Engineer T. J. Cushing. Over the Pennsylvania the train was handled by engine 284, with Engineer William F. Jungles at the throttle, and was in charge of Conductor A. W. Miller. Several Fort Wayne people, including Judge and Mrs. W. J. Vesey, who had friends in the excursion party, joined them here and accompanied them to Winona.

FORT WAYNE THE BEST CITY.

Road Foreman C. R. Colmey, whose return from an extensive eastern tour was mentioned a few days ago, is more fully impressed than ever with the beauty and worth of Fort Wayne. "During my travels," he said, "I did not see a city the size of Fort Wayne that was so well provided with manufacturing establishments and other labor employing sources, nor with as good business houses, private residences, city and county buildings as this one. Nor did I see a country where the agricultural prospects were as good as they are today in Indiana and Ohio. Fort Wayne is the banner city of its size in the United States and I am proud to claim citizenship in it." Mr. Colmey's sentiments are those of many others who have the opportunity to make comparisons.

FIELD DAY PROGRAM COMPLETE

It is up to the weather man now to complete arrangements for a successful annual athletic tournament, base ball games and races next Saturday. Everything that man can do for the success of the affair has been done by the energetic and competent committees who have had charge of the work ever since last April and only the weather—very disagreeable weather—can intervene between them and the brilliant event they have planned. Final arrangements for the event were made last night when the committees gave the Hartzell company and Frank Deck the refreshment privileges. The shopmen are more enthused over the coming meet than they were over the previous one, and particularly are they interested in the 9 o'clock ball game at League park and the horse races. It is hinted that both the Fort Wayne and the Allegheny men have gone outside the ranks to get a few players, which would seem almost unnecessary under the circumstances, for there is good material for a ball club in both shops. A desire to make the game equal to any of the professional games pulled off in this city has prompted the management to go outside for players and the public will show its appreciation of this effort by the largest crowd that ever assembled at the ball grounds.

HAS A BETTER JOB.

Ed Parry, for some time night seal clerk at the Lake Shore freight house, resigned that position last Saturday evening and Monday morning took a position as expense clerk with Agent H. C. Moderwell, of the Nickel Plate. In making the change Mr. Parry secures a better salary and more pleasant work. The young man is a brother to W. A. S. Parry, inspector for the Central Freight association.

WABASH PAY CAR.

The Wabash pay car will be in this city twice this month. The first visit will be made next Tuesday, which will be pay day proper for the shop employes and as many of the road men as can meet the car on that day. The second visit will be on Friday, July 25, when those who fail to be served the first time will receive their earnings.

SWITCHMAN MARRIED.

Mr. and Mrs. H. A. Fletcher arrived in the city last evening and will soon be comfortably domiciled at 210 West Butler street. They were married last Thursday at the home of the bride's parents, in Canal Fulton, Ohio. The bride's name was Miss Ada Kauffman and she was one of the leading young ladies of her home city. Mr. Fletcher is a switchman in the employ of the Pennsylvania company and he will probably resume his duties tomorrow.

STEAM SHOVEL DISABLED.

An aggravating accident happened to the steam shovel employed in excavation work at the site of the new Pennsylvania roundhouse yesterday afternoon—aggravating because it caused a partial suspension of operations all of last night and a good portion of the forenoon today. The wrest pin broke and the shafting became deranged, making it necessary to "strip" the entire machinery, a task which kept a gang of mechanics busy throughout the night.

LABORERS BADLY NEEDED.

"We need laborers badly," said Supt. T. R. Pickard, of the Bass Foundry and Machine company, this morning. "We could give employment to fifty good men, but we cannot get them. I find that we pay the topmost wages for common labor in shops and cannot understand why we do not get all the help necessary."

DISCUSSING PIECE WORK.

Master Mechanic B. Fitzpatrick, of this city; G. P. Sweeley, of Allegheny, and G. C. Bishop, of Wellsville, held a meeting at the Pennsylvania shop offices today, discussing matters pertaining to shop work. These gentlemen constitute the Pennsylvania's piece work committee.

IS NOW A FLAGMAN.

Ben McFerran, for several years a clerk in the office of Pennsylvania Shop Clerk J. H. Hobrock, but who resigned several weeks ago because the confinement was undermining his health, is receiving material benefits from a sojourn in the sunny south and it is quite likely he will remain permanently in Birmingham, Ala. He has increased his weight fifteen pounds since he left Fort Wayne. Ben is now a passenger flagman on a railway running out of Birmingham and writes that he is pleased with the position. Mesdames John H. and Ben McFerran will arrive in the city the latter part of the month and will remain here, the guests of relatives, about a month.

GONE ON A SAD MISSION.

Mrs. Charles A. Szink, wife of the engine painter, and her son, Edgar, a blacksmith in the employ of the Pennsylvania, left today for Altoona, where Mrs. Szink's mother, Mrs. John Robinson, is supposed to be lying at the point of death. A telegram conveying news of the serious condition of the aged lady was received early this morning.

BENEFITS OF PER DIEM RULE.

H. E. Elliott, traveling representative of the Indiana Car Service association, was in the city a few hours today, calling upon old associates and business men. Mr. Elliott says the adoption of the per diem method of handling cars has had a wonderfully beneficial effect upon the supply. It has driven all the cars, or nearly all, to their home lines and has made them readily available to the shippers on those lines. Mr. Elliott says there is no apparent diminution in the volume of business in this state, but it is being handled more promptly than formerly because of the salutary effects of the per diem method of handling cars. Mr. Elliott was formerly the local agent of the association, a position now held by J. O. Goff.

WILL ATTEND THE FUNERAL.

Information of the death of Ernest Heuer was a most unwelcome and sad bit of news to the employes in the Wabash shops, and particularly to those in the boiler department, where the deceased had worked so long and where he was a general favorite. The men will turn out in a body Sunday afternoon to the funeral. Those residing west of Calhoun street will assemble at the shop and thence go to the house, and those residing east of Calhoun street will go directly from their homes to the house of their late comrade, to join their associates in paying the last tribute of respect to their friend and shopmate. The pall bearers will probably be chosen from the ranks of the shopmen.

ANOTHER ADDITION TO FORCE.

This morning several men were added to the pay rolls of the Fort Wayne Electric company. Among them were C. W. Cook, in Foreman Schultz's room; Fred Deikes, in Tony Miller's room, and Frank Conroy and William Bernhart, in Foreman Adolph Stube's room.

SAFETY GATES BROKEN.

An unruly team dashed into and broke down one of the safety gates at the Calhoun street crossing of the Wabash and the Pittsburg roads this morning. These gates have been broken at least every month this year and accidents of this kind are becoming monotonous, to say the least.

HEAVY TRAVEL NORTHWARD.

The hot wave is exerting an influence upon summer travelers to hasten their departure for the cool northern resorts and the movement in that direction has already reached considerable proportions. The Grand Rapids and Indiana company's train "Northland" had 120 passengers aboard when it pulled out of this city last night. All of these people were bound for Petoskey or points north of that resort. To secure a berth on this train the prospective traveler should make application a day or two in advance.

INDUSTRIAL NOTES.

Pittsburg Engineer A. A. Greenich is off duty on account of sickness.

Foreman James Murray, of the Wabash boiler shop, has hired John Kull, who went to work this morning.

Nickel Plate Conductor C. LaPoint is off duty on account of sickness.

William Palmer, a hammersmith at the Bass shops, is confined to his home by sickness.

President M. E. Ingalls, of the Big Four company, is spending a few days at Yellowstone park.

Machinists E. B. Kent and A. G. Craig have taken positions in the night gang at the Bass shops.

Nickel Plate Brakeman F. C. Crawford has gone to Fostoria for a visit with his folks. He formerly resided in that city.

Brakeman M. J. Miles resumed work on the Nickel Plate yesterday. He had been in the country upon a concerting expedition.

Adam LaMar, assistant chief car inspector of the Pennsylvania, left last night on a business trip which will include a short stop at Cleveland, Pittsburg and Toledo.

Assistant Trainmaster W. E. Davis, of the Pennsylvania, has gone to Cleveland to serve on the auditing committee for the Pennsylvania Voluntary Relief association. Upon his return home he will enter upon his vacation.

John G. Fratus, a machinist, resumed his old place in the Wabash shops this morning after an absence of two weeks. He had one of his hands injured and erysipelas set in, making the member quite sore for awhile.

Machinist William Wehrs, jr., of Foreman A. Keyser's department of the electric works, has obtained a six weeks' leave of absence and will leave this evening for the Pacific coast, where he will visit all points of interest.

President W. H. Caniff, of the Nickel Plate, who had been in Chicago several days looking after the company's interests during the freight handlers' strike, passed through the city at 7:30 last evening en route to his home.

Conductor M. E. Baum, of the Nickel Plate, resumed work yesterday after an absence of two months. While out on the road he slipped and fell in getting off his train and one of his hands went under the wheels. A finger was crushed so badly that amputation was necessary.

Thomas Harper, some years ago a passenger conductor on the Nickel Plate road, but now general yardmaster in Virginia of the Baltimore and Ohio, is in this part of the country visiting his friends. His brother, Conductor E. J. Harper, of the Nickel Plate, is taking a lay off for the purpose of visiting with Tom.

Pennsylvania Switchman David Prim is off duty on account of sickness.

J. J. Ryan quit a position in the Pittsburg round house this morning to take employment elsewhere.

M. J. Shea is the name of a new messenger in Foreman H. T. Hogan's department of the Pittsburg shops.

Blacksmith Ed Mennewisch, of the Pittsburg, has recovered from a sickness which kept him from work a couple days.

Master Car Builder J. A. Graham, of the Pittsburg, made a trip to Columbia City this morning in the interest of the company.

F. E. Mills, of the main office of the Electric works, and his wife have gone to Huntington to spend two weeks with relatives.

E. Z. Jefferson, of the Pennsylvania Rubber company, is in the city calling upon his customers at the railway offices and elsewhere.

Machinist George Depner, of the Pittsburg shops, and Mrs. Depner will go to Defiance, O., Saturday to visit Mrs. Louis Haas, formerly of this city.

Night Foreman W. S. Fitch and Tallyman H. C. Hartman, of the Pittsburg freight house, have reported for duty after being off two weeks on the summer vacation.

Perb Davis, of the Pennsylvania yards, is again suffering with his old malady, gall stones, and may have to be off duty several days. He has in contemplation a western trip, which may have to be postponed also on account of his sickness.

Mrs. W. C. Hamman, wife of the Pittsburg watchman at Broadway, and her children, who were visiting at Pierceton, Ind., returned home this morning after an absence of three weeks. They were accompanied by Miss Lotta Menzie, a niece of Mrs. Hamman's, who will visit here awhile.

There were two accidents in the Pittsburg shops last evening, neither being very serious. John Kiser, of the planing mills, had a thumb caught in the machinery he was operating and the end of the member was cut and bruised. J. S. Johnson, a machinist, had an eye injured by a piece of steel getting into it. Blacksmith Frank Stenger is sick and J. H. Arnold is off duty for unknown reasons.

MOTHER ALWAYS KEEPS IT HANDY.

"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. Meyer Bros. & Co.

"FORCE" FOOD CO.
Buffalo, N. Y.

I have introduced "FORCE" at my breakfast table, and must say it is the most pleasant breakfast dish I have ever found. The ordinary breakfast foods, while of nourishing properties, are to me more or less unpalatable, and after their use for a week or so I have become tired and sought a change; thus it has gone from one food or preparation to another. I have gotten so now that I look forward with expectancy to my breakfast, which is something I have not done in a long time, and as the "FORCE" Food is at my plate every morning, I eat it with the greatest relish. I don't say this as "taffy" or flattery, but it is an honest fact that I think "FORCE" Food is the most delectable breakfast dish I have ever tasted for its heal giving qualities. Its crispness and savory flavor is somethir and unrivalled.

BASE BALL

There was considerable activity yesterday in base ball circles, both on the base lines and in the business offices. Andy Freedman, owner of the New York team, made a coup de main which, while it may not prove disastrous to the American league, will prove very embarrassing at least for awhile. Mr. Freedman secured possession of a controlling interest in the Baltimore team and will in all probability forfeit the American league franchise there. He gained his point through his lieutenant, Mugsey McGraw, and immediately sent part of his players to New York, presumably to strengthen the team facetiously known as the "Giants," but really pigmies when compared with any other club in the league. Ban Johnson, president of the American league, says he will put a new team in at Baltimore within a week and that the disarrangement of the schedule will be only temporary.

St. Louis was shut out by Philadelphia yesterday and Boston escaped a shut-out by a lone run. Chesbro pitched for Pittsburg and it will be remembered by those who keep track of the games that in the last four games in which Chesbro pitched not a run was made by the opposing club. Up to the time Boston made their single run yesterday Chesbro had pitched 41 consecutive innings—on different days, of course—without a run being made off him. The attendance at four cities was 6,570. In the American league four games were played, none of which were remarkable except the one at Philadelphia, where the home team somehow managed to make nine errors, and the one at Washington, where 31 hits were made in the game. The attendance was 13,305.

In the American association four absolutely featureless games were played. Toledo lost, as usual, and the hoodoo which has followed Columbus for a month is still camping back of Pitcher Thomas let in five runs in one inning, which gave Indianapolis the game after Columbus had it won. The attendance was 3,307. Results are given below:

THE MARKETS.

Chicago, July 17.—Corn was the strongest cereal on the floor at the opening today. Receipts continued very heavy—492 cars—of which 225 were contract. Private elevators turned out 105 cars and 22,000 bushels, making a total of over 400,000 bushels of contract today. The weather continued excellent for drying and growth as well as for movement for the interior, and statistical journals issued very bearish reports. These conditions, however, had no weight with the shorts when the Harris-Gates crowd began by bidding up July options. The trade was all at sea as to what the buying meant. July opened ⅜c to 1⅞c higher at 66c to 67½c and at once advanced to 68½c. September opened ⅛@¼c lower to ⅛@¼c higher at 59⅜c to 59¾c and sold to 60½c. After the advance of the first half hour the buying of July eased and that option hung fire while September slid back to 60½c.

The trade considered the early action of the corn bulls simply a ruse to get the price up to a figure where the bulls could unload some more of their high-priced cash receipts. Consequently the shorts stopped taking the stuff and after July had reached 69c it turned tail and dropped to a weak close, ⅜c under yesterday, at 65¼c. September, however, held firm, largely because of the July premium and doubt as to whether or not the squeeze in this pit was really over. The option went to a strong close, 1½@1⅝c up, at 61½c.

Wheat started out steady in spite of a good array of bearish news being sustained by corn. Cables were lower, receipts larger than were estimated and the weather was almost perfect. Trade papers stated that east of the Rockies everything looked very favorable. Trade was light early, but there was a fair demand from the crowd that sold short late yesterday. September opened a shade lower to a shade higher at 71⅜c to 71½c and advanced to 71⅞c. Local receipts were 150 cars, only 1 of contract grade. Minneapolis and Duluth reported 227 cars, making a total for the three points of 377 against 260 last week and 444 a year ago.

Wheat was sold for a time, but the crowd was afraid that the pit was oversold and September closed firm, ⅝c up, at 72@72⅛c.

Oats showed good and legitimate strength at the opening. Receipts were 55 cars, of which only 6 were new and 8 of contract grade. Cash business was good and consumers were taking stuff at a big premium over July. The current option seemed oversold and in the first hour July advanced 1¾c to 52c. September opened unchanged to ⅛c up at 31⅜c to 31⅞c and soon topped 32¼c. Crop reports were rather favorable, but near futures maintained their show of strength on the fear that new arrivals would be insufficient to meet the demand.

Provisions were dull and steady. September pork opened 2½c down at $18.62½, September lard 2½c lower to unchanged at $11.12½@11.15, and September ribs unchanged at $10.85 and eased 2½c.

THE STATE OF PUBLIC WORK

PROGRESS BEING MADE BY THE BARBER COMPANY.

Part of Columbia Street Has Been Given Brick Surface—Work on Main Street Soon.

The board of works will meet this evening in regular session and among other things will confirm the assessment rolls for the sidewalk improvements on Fletcher avenue from Maumee avenue to the Wayne Trace and on the east side of Reed street from Green street to Creighton avenue. No other business of importance has yet been filed.

Member Doehrman, of the board, was about the city hall today for the first time for any length of time during the past three weeks. He has been giving his exclusive attention to the concreting of East Wayne street, which job was completed on Tuesday night.

The gang immediately moved to Buchanan street and concreting on that thoroughfare was commenced yesterday. Mr. Doehrman could not say positively when the asphalters will commence on East Wayne street, but thought work would be commenced very shortly; he said that he knew as a matter of fact that the Barber forces are not yet through with a contract at Marion and that they will not commence in Fort Wayne until after Marion is completed. He feels sure, however, that the surfacers will catch up with the concreters on Buchanan street, which is not unlikely, but at that it don't help out Wayne street any. Part of Wayne street was ready for the asphalters two weeks ago and property owners are kicking at what they consider unwarranted delay.

Contractor Moellering is pushing Columbia street rapidly and by tonight will practically have the north side of the track completed. The concreters will get through by noon tomorrow and then there will be nothing to wait for but the sweet pleasure of the Bell telephone company, who evidently don't like to move poles only in the last quarter of the moon. The board says that orders have been given to proceed with the West Main street pavement on Monday. Work on the South Wayne sewer is practically at a complete standstill and today not a bricklayer is at work. One half of the force is sick and the other half has a case of diphtheria at his house and is quarantined. About 300 feet of open work still remains to be done on that contract and the end is not even in sight.

MILK TESTS GOOD.

Health Commissioner Macbeth has completed the examination of about 40 specimens of milk, all but one of which was up to standard and many were considerably above. The faulty one was shy only on butter-fat and showed no signs of adulteration with anything stronger than pure spring water. In the meantime nobody has seen any signs of red milk cans labeled "skim milk," as required by the ordinances.

CITY HALL NOTES.

A. R. Schnitker has been granted a permit to erect a $1,200 house on Walton avenue.

The special committee to revise the last section of the Fort Wayne Traction company's proposition will meet this evening at the city hall. The committee consists of Bauer, Glenn and Hosey, with the city attorney added, and their conference will be with Messrs. Barrett and Scott, of the traction company. The proposition is to agree upon some plan by which both the company and the city can be protected in the matter of ordering future extensions.

The council will meet as a committee of the whole tomorrow night and expects to finally dispose of the Fort Wayne Traction company franchise.

Our Special Sale For Tomorrow At James M. Kane's

WILL OVER-SHADOW AND THROW ALL OTHERS INTO THE SHADE.

We demonstrate every day our ability to sell superior goods with our tremendous outlet for wholesale and retail at prices lower than prevail elsewhere. No deceptions or misleading at Kane's; all goods marked in plain figures. Blowing don't count. No man in Fort Wayne can buy direct from Holzworth a spinner but Kane—same of Alligator lines and all first-class tackle—unless he pays second and third profits. Our new rods, new lines, new reels, new bait—everything on the market to be found at Kane's—so much we cannot enumerate one-half. If I wanted to advertise every man's name I sell one only usel to, my list would reach Kalamazoo and come back by way of Tim-Buc-Too. Only small, bob-tail jumping jacks would do such a thing. Don Doris says he pays no attention to anything outside of Chicago and the world. P. S.—Barring none. What a distance for a yap of three months' experience. I understand he is in the mouse trap business. Keep one yourself; it will not be too small for you when I get through lashing you to fury with low prices from first hands. Eight dozen beetles! FALSE FILIPINOS

CATHOLIC PROVINCIAL SAYS THEY HATE AMERICA.

PEACE ONLY A PRETENSE

BUT A FRACTION OF THE PEOPLE OPPOSED TO FRIARS.

BIG LADRONE DRIVE IS ON

ROUNDING UP BAD NATIVES IN CAVITE PROVINCE.

Rome, July 17.—Father Santiago Paya, provincial of the dominicans in the Philippines, who is staying here, when informed by the correspondent of the Associated Press of the result of Governor Taft's negotiations with the vatican on the subject of the friars and their land, expressed satisfaction at the acceptance of the first proposal of Cardinal Rampolla, the papal secretary of state, that the matter be discussed at Manila between an apostolic delegate and the governor in Manila. When asked what was likely to be the outcome, Father Paya replied:

"It is more important to know what will be the outcome of the matters between the Americans and Filipinos. Although the war is almost over, and the Filipinos now protest friendship for the Americans, they in reality dislike them just as they disliked the Spaniards. The Filipinos say they did not struggle against Spain to calmly surrender their independence."

Father Paya concluded with declaring that it was not true that the people were against the friars. The latter, he further asserted, were hated only by the native clergy, and a fraction of the people.

BIG LADRONE DRIVE.

Manila, July 17.—An extensive drive, with the object of capturing the Ladrone chiefs, Montallon and Felizardo, and fifty of their followers, is progressing in Cavite province. Twelve hundred constabulary, commanded by Captain Baker, moved today at daylight, forming a complete angle-shaped cordon, covering sixty square miles. Patrol launches are guarding the rivers. It is expected to close the cordon Saturday. The entire male population of the towns and farms will be included in the concentration movement. When it is completed the ladrones will be arrested and the others will be released.

FRETZ WAS AT INDIANAPOLIS

MISSING MAN WAS SEEN THERE ON SATURDAY.

An Auburn Acquaintance Talked With Him—Fort Wayne Friends Have No News.

(Special to The Sentinel.)

Auburn, Ind., July 17.—Yesterday Capt. Moses B. Willis, of this city, received a letter from his son, Lew Willis, who resides at Indianapolis, stating that he saw Lewis B. Fretz in Indianapolis on Saturday afternoon and had a talk with him. Mr. Willis does not indicate where Fretz may be at the present time.

Fort Wayne friends of the missing man have had no trace of him since he left the Davis home, on McClellan street, very early on Saturday morning, and when a reporter for The Sentinel gave members of the family the contents of the above dispatch this afternoon it was the first news they had received. The fact that Fretz was seen in Indianapolis at the time indicated would tend to show that fears of his suicide are groundless.

ABANDONED TEMPORARILY.

The project of erecting a club house for the young men of Emmaus Lutheran church has been temporarily abandoned in compliance with the wishes of several members of Emmaus congregation, who are unwilling to incur additional debt until the church debt is paid. The debt against the church will be liquidated by January 1st, when the plan of building the club house will be taken up again.

THE WEATHER.

Chicago, July 17.—Forecast for Indiana: Partly cloudy tonight and Friday, with probably local thunderstorms in central and northern portion this afternoon or tonight; slightly cooler in north portion Friday; southwest to northwest winds.

SNATCHED PURSE AND RAN.

Jennie Walker, a domestic, met a male friend by appointment last night and after strolling about the city for awhile, the young fellow became enamored of Jennie's pocketbook, which he snatched and safely got away with. The purse contained between $6 and $7 and a few trinkets. The girl says the robbery was committed on Brackenridge street and admits that she does not know the correct name of the young fellow with whom she was walking. She gave a fair description of the fellow, however, together with the name which he gave, and the police are pretty well satisfied that they can locate the lad.

HAS NEVER BEEN EXCELLED

WHEAT YIELD CONTINUES ITS GRATIFYING SHOWING.

C. S. Bash Says Allen County Crop Is Most Satisfactory in the County's History.

Charles S. Bash, who is recognized as excellent authority in the grain business in all its phases, today expressed the opinion that the wheat crop now being harvested will prove the most satisfactory in the history of Allen county.

The yield is furnishing some large surprises. From the very first the crop showing has been much in advance of previous estimates based upon the outlook, and Mr. Bash says that the earlier good showing is being fully sustained as the harvest progresses. He believes that upon an average of the entire county no previous year can be cited in which the wheat crop was more gratifying to the farmers.

The yield is showing from thirty to thirty-five bushels to the acre, and occasional pieces turn up with thirty-eight burhels. The berry is large and plump, and the quality is excellent.

AUTOMOBILES WILL RACE

INTERESTING EVENT AT DRIVING PARK SATURDAY.

Race Will be Given in Connection With Pennsylvania Sports—Four Entries.

An automobile race will be given at the Driving park on Saturday afternoon in connection with the annual field sports of the Pennsylvania company, and considerable interest centers in the event, as it is the first of the kind ever held in Fort Wayne.

There are four entries in this event, two of the vehicles being propelled by steam and the other two by gasoline, and the four carriages are supposed to be the swiftest in their class in the city. The result of the race will, of course, depend largely on the chaffeurs, and as the gentlemen who will handle the levers are possessed of surpassing skill, a fine race is assured. Harry Meyer and A. L. Randall are entered with gasoline carriages and Thomas Baxter and C. H. Doebler with steam vehicles.

Five miles is the distance to be run, the starters to finish within a time limit. Each vehicle will contain two men, one to look after guiding the vehicle and the other to attend to the levers and act as ballast on the turns. Four handsome prizes have been secured for this race, the first being a valuable vase donated by August Bruder.

There will also be a motorcycle race, in which there are several outside entries.

In the morning at League park there will be a base ball game between teams from the Pennsylvania shops in Fort Wayne and Allegheny City, Pa. The game will be called at 9 o'clock and admission will be free.

JOINS NEWSPAPER GANG.

Rud H. Dieterich, a gifted young Cincinnati newspaper man, has arrived in the city and today began work in Fort Wayne as a reporter on the Journal-Gazette. Mr. Dieterich has been for several years on the staff of the Cincinnati Times-Star. He was presented a handsome loving cup by his newspaper associates on the occasion of his leaving Cincinnati.

The Women's Foreign Missionary society of Wayne street M. E. church will meet Friday afternoon at 3 o'clock with Mrs. A. B. Walter, 913 West Creighton avenue.

TO FRAME TICKET

WAYNE TOWNSHIP REPUBLICANS MEET TONIGHT.

CONVENTION AT COURT HOUSE

SOME SCRAMBLE FOR PLACE AS JUSTICES.

SAY B. W. SKELTON WILL WIN

SOME OF THE DELEGATES CHOSEN LAST EVENING.

This evening the republicans of Wayne township will place in nomination two candidates for justice of the peace, two candidates for constable, three candidates for places on the advisory board and four for supervisor.

The convention will be called to order at 7:30 o'clock in the court house assembly room, and Thomas D. DeVilbiss will doubtless be chosen chairman. Nothing of an exciting nature is anticipated, and the only interest manifested is in the case of the justices of the peace. It is practically certain that Benjamin W. Skelton will get one of these places.

Mr. Skelton has been doing some campaigning, and he had a slate of delegates in every ward in the city. A majority of the wards gave instructions for Skelton, while other delegations will go into the convention divided. In addition to Mr. Skelton the list of candidates was augmented today when it was announced that Joseph Lombard, the veteran ex-mail carrier, and John B. Kelley, a grocer on Columbia avenue, were candidates for justice of the peace. Other candidates under consideration include Col. C. B. Oakley, C. C. Casterline, Emanuel Straus and Louis F. Huser, elected as a democrat and now closing his term of office. With one of the two justice's places conceded to Skelton, it looks like a fight between about six candidates for the other.

SOME OF THE DELEGATES.

Caucuses for the selection of delegates were held in all the wards of the city last evening. The delegates chosen, so far as had been reported to Chairman Harris up to noon today, were as follows:

First Ward—George Miller, James Orr, John Pfeiffer, Charles W. Buck.

Second Ward—J. B. Harper, R. B. Hanna, W. D. Shaffer, Erastus Shuman, I. Straus.

Third Ward—Wilbur Carpenter, Louis Heck, W. S. Patten, Dr. G. C. Keel, Wm. B. C. Kayser.

Fourth Ward—Col. R. S. Robertson, Judge R. B. Dreibelbiss D. L. Beaber, F. W. Keil, H. C. Moderwell, M. J. Blitz.

Fifth Ward—Harry Templar, C. H. Woodworth, W. F. Geller, Eph. P. Dailey, Theo. Frank, W. C. Etzold.

Sixth Ward—J. H. Bilderback, Fred Stetler, Floyd Golden, W. M Glenn, J. W. Hayden, William Griebel, Ed M. Detzer.

Seventh Ward—I. N. Medsker, Peter Hamilton, William Schultz, Ed. White.

Eighth Ward—S. D. Bitler, G. W. Soliday, Henry Kessler, Fred Schmeling.

Ninth Ward—George Motz, George Brower, Elmer Young, Ed. Schoch.

Tenth Ward—T. D. DeVilbiss, Frank Beahm, William Knoch, Jasper Edsall.

LADIES ON A TROLLEY TRIP.

About fifty Fort Wayne ladies, guests of the Misses Swinney, left the city at 11 o'clock this morning in the special car Illinois over the Fort Wayne and Southwestern electric line to spend the day along that system. Conductor Saylor is in charge of the car. It is chartered for the day and is absolutely at the pleasure of the ladies regarding its movements. It is probable that the trip will be extended over the new sections of the road west of Huntington, and it is certain to be a very delightful affair.

MEETING OF FAIR PROMOTERS.

The stockholders of the Fort Wayne Fair association will hold a meeting in the Commercial club rooms, Wayne and Calhoun street, on Friday afternoon, at which officers will be elected and plans for the fair discussed. The fair will be held at the Driving park September 9 to 13 and the sum of $10,000 has been raised to insure its success.

ORMOND-RAUNER.

Miss Frances Rauner and Frank Ormond were quietly married last evening at the residence of Father Roche, at 8 o'clock. The young people had intended that the affair should be very quiet, but their friends accidentally heard of the event and arranged a pleasant surprise. When Mr. and Mrs. Ormond went to their new home, 825 West De-Wald street, they found a large number of friends awaiting them and an impromptu reception was held. The guests brought many handsome gifts, together with refreshments, and the festivities continued until a late hour. Mr. and Mrs. Ormond have gone east on a wedding trip and will be at home after August 15. The groom is a machinist at the Bass works.

STEEL COMPANY ORGANIZED

OFFICERS ELECTED YESTERDAY AFTERNOON.

G. Max Hofmann Is President—Company Capitalized at $200,000 and Will Employ 200 Men.

A meeting of the stockholders of the new Fort Wayne Steel Foundry company was held yesterday afternoon in the offices of the Fort Wayne Trust company, and an organization was perfected. The following officers were elected:

President—Max Hofmann.
Vice President—Louis Fox.
Secretary—F. E. W. Scheimann.
Treasurer—Charles S. Bash.

The board of directors consists of the above mentioned officers and Messrs. William Stephan, J. R. Sinclair, E. H. Coombs, J. B. Reuss, J. W. White and Charles McCulloch.

A call for the first payment of stock was made at the meeting and a levy of 20 per cent will be made, payable August 1.

The steel company is the first concern to locate on the ground recently purchased from the Rockhill estate by the Commercial Land company and it will erect its plant at the juncture of the Pittsburg and Lake Erie tracks. The plant will require fifteen acres of ground, and it is believed that at least 200 men will be employed from the start.

The Fort Wayne Steel Foundry company is strictly a Fort Wayne concern, backed by Fort Wayne capital and having as stockholders the leading business men of Fort Wayne. The Montpelier steel plant, of which Mr. Hofmann is head, will be merged with the Fort Wayne company.

TURNERS ELECT OFFICERS.

The Turnverein Vorwaerts met last evening for the purpose of electing officers and making some changes in the constitution. The following officers were elected: President, Victor Kalteyer; vice president, Leonhart Jaxtheimer; corresponding secretary, Adolph Roggen; recording secretary, Adolph Puff; financial secretary, Gus Kedchum; treasurer, Dan Clemens; first turnwart, Louis Gauert; second turnwart, John Wagner; zeugwart, Arthur Lohse, and flagbearer, John Koch. Mr. Koch was also elected trustee for the next three years.

WARRANT IS ISSUED.

A warrant was issued by Judge Dreibelbiss this afternoon for the arrest of William Oetting, a dairyman residing on Walton avenue, on a charge of selling impure milk, preferred by Health Commissioner Macbeth. A sample of the milk sold by Oetting, which was tested by Dr. Macbeth, is alleged to have shown that it had been skimmed and that water had been added. Oetting will have a hearing before Judge Dreibelbiss tomorrow morning.

A LUNATIC'S DEED.

New York, July 17.—An insane man, whose name is thought to be Henry F. Kane, entered the New York Foundling Asylum today and shot Sister Serella in the left breast and Sister Angela in the fleshy part of the right arm.

Kane then ran into the grounds of the asylum and shot himself in the breast, making a flesh wound. Sister Serella is not expected to live.

EASTERN MEN COMING.

S. R. Fleming and his associates, who are to construct an electric railway between Fort Wayne and New Haven, are at work upon details for the organization of the company. It is announced that a number of eastern capitalists who are interested in the proposition will be in the city within a few days and it is probable the organization will be completed at that time. Work will then begin immediately.

Robert, the two-year-old son of Mr. and Mrs. John Foohy, is dangerously ill with cholera infantum.

OPPOSE A STRIKE

THAT IS THE SENTIMENT OF THE COAL MINERS.

IS NOT LIKELY TO CHANGE

RESPECT FOR CONTRACT THE DOMINATING NOTE.

BIG CONVENTION IS BEGUN

MITCHELL OPPOSES STRIKE AND PRESENTS PLAN.

Indianapolis, Ind., July 17.—At the meeting of the United Mine Workers today President John J. Mitchell strongly opposed the ordering of a sympathetic strike and advocated in its place the following policy:

1. That the treasurer of the order be directed to appropriate $50,000 for the relief of the anthracite miners.

2. That the unions appropriate for the same purpose as large a sum as they can afford.

3. That an assessment of $1.00 per week be levied on all members of unions.

4. That all officers of the National districts drawing a salary of $60 a month or over contribute 25 per cent of their salaries.

5. That an appeal be made to all trade unions and citizens generally to aid the cause of the miners.

6. That an address to the American people be issued appealing to the American people to bring such pressure to bear as will compel the operators to submit to arbitration.

At the conclusion of the president's address a motion was made by W. D. Ryan, of Illinois, that the suggestions of Mr. Mitchell be adopted. A long and animated discussion followed.

THE DOMINANT FEELING.

Indianapolis, Ind., July 17.—With all the delegates who are to take part in the convention of the United Mine Workers on the ground, there is no more sentiment in favor of a strike than there was last night.

The opinion is steadily gaining ground among the delegates that a strike would lessen the chances of the anthracite miners to win their fight, for the reason that it would take from them all the support that the soft coal men will be able to extend if they continue at work. Then, too, there is a genuine dislike among the soft coal men to take action that will place them in the position of violating their contracts with the mine-owners. While it is impossible to predict what any body of the men will do with a given question when there is a chance that the gathering may be swept from its feet by a few impassioned speeches, the aspect of the convention when it opened this morning was adverse to a strike.

FIRST SESSION OPEN.

The convention began in Tomlinson hall, with an attendance of about 900 delegates. Nearly every man on the floor was the possessor of several proxies, some holding as high as five and others from four to two.

The first session was not of an executive character and there were many spectators present anxious to witness the proceedings of what has been heralded as one of the most important gatherings of laboring men held in recent years. The first part of the session was devoted to addresses of welcome from municipal officers of Indianapolis and responses in behalf of the union.

CHEERS GREET MITCHELL.

President Mitchell was greeted with cheers when he appeared on the platform. Secretary Wilson, following close after, shared the applause. Prompt to the second President Mitchell brought down his gavel, saying: "The hour of 10 having arrived, the convention will be in order." Secretary Wilson then read the call for the convention and President Mitchell called for the report of the committee on credentials. The reading of this by Michael McTaggart, of the committee, consumed much time, as the report contained the name of every delegate, with a statement of the number of votes possessed by each man.

Delegate Campbell, a colored man from Kentucky, moved the acceptance of the report and the continuation of the committee. This was done and the convention adjourned until 1:30 p. m.

BROCKERMAN—STANDARD.

Miss Anna E. Standard and William C. Brockerman were married this afternoon at 2 o'clock at the Wayne Street M. E. parsonage by Rev. Asher S. Preston. Mr. and Mrs. Brockerman will reside on Eagle avenue.

MISHAP BLOCKED TRAFFIC.

Wednesday afternoon an immense load of hay was accidentally overturned at the intersection of Fulton and Sturgis streets, blocking traffic for a time on the Southwestern. When the interurban car reached the obstruction, employes and passengers alighted and assisted the unfortunate farmer in getting his hay off the tracks.

KINGMORE GOT THIRD MONEY.

Frank Pearse returned at noon today from Lima, O., where he was in attendance upon the harness races. Kingmore, now in charge of Pearse Brothers, started in the 2:25 class there yesterday and came second twice and fourth once, getting away with third money.

AN ORGANIZATION EFFECTED

FALL FESTIVAL ASSOCIATION ELECTS OFFICERS.

Festival Will Be the Biggest Gala Event Since the Centennial—Opens August 25.

The promoters of the fall festival met last evening in the Commercial club and organized, electing the following officers:

President and Director General—L. C. Hunter.
Vice President—L. A. Centlivre.
Secretary—J. B. Manning.
Treasurer—Henry A. Wiebke.
Executive Board—Ora Seaney, Frank Falker, Frank Edmunds, John Lassus, C. B. Woodworth, August Jackson, Dr. J. A. Williams, Charles Bryson and William Melle.

Committee on Selection of Grounds—L. C. Hunter, Ed Kleindienst and Bert Lichtenwalter.

Another meeting of the association will be held in the Commercial club rooms on Friday evening, when the committee on grounds for the Gaskill-Mundy attractions will report. A number of sub-committees will be appointed at this meeting.

The fall festival will be held during the week beginning Monday, August 25, and the promoters say it will be a gala affair, surpassing anything ever attempted in Fort Wayne, with the probable exception of the centennial. A different program will be given every day and there will be mardi gras, industrial and other parades, and attractions of every kind such as band contests, games, fireworks, etc.

The association has closed a contract with the Gaskill-Mundy company, which controls fifteen shows of the highest class. This company has been exhibiting its attractions in many of the towns and cities in Indiana and Ohio and the shows are most highly spoken of.

The week selected in which to hold the festival is at a time when Fort Wayne merchants are least busy and when farmers have most leisure to come to the city. That there will be many thousands of visitors in Fort Wayne during the festival is an assured fact, the Central Traffic association having granted a rate of a fare and a third in the district within a radius of 100 miles of Fort Wayne.

The association will open an office in a few days and will begin advertising the festival extensively. Every town within fifty miles will be billed, and it is probable that envelopes similar to those used during the street fair will be issued.

THE LAST RITES

CEREMONIES OVER THE LATE ARCHBISHOP FEEHAN.

GREAT POMP AND DIGNITY

AN IMMENSE CONCOURSE OF CHURCHMEN PRESENT.

BISHOP ALERDING THERE

CARDINAL GIBBONS GIVES THE ABSOLUTIONS.

Chicago, July 17.—With much pomp and imposing ceremony and in the presence of the cardinal of the church and a great gathering of ecclesiastical dignitaries, the last rites of the Roman Catholic service for the dead were performed for Archbishop Patrick A. Feehan today at the Cathedral of the Holy Name. Early in the day a series of masses was begun by the numerous visiting priests, ending in the great pontifical requiem mass.

During the funeral service crowds thronged the streets in the vicinity of the cathedral, which was filled to overflowing by members of the clergy and a favored few of the laity. Cardinal Gibbons, with his deacons, officiated at the solemn pontifical requiem, which was conducted by Bishop John Lancaster Spalding, of Peoria. Archbishop Ryan, of Philadelphia, delivered the funeral sermon. After the mass Cardinal Gibbons pronounced absolutions. The body of the dead churchman was then borne to a vault in Calvary cemetery, hence it will be removed later to its last resting place in the new cemetery of Mount Carmel.

The funeral cortege was probably one of the grandest and most impressing that ever passed through the streets of this city. Catholic dignitaries from many sections of the country were present and did honor to their late co-laborer. Military, civic and church bodies accompanied the funeral car. Among the principal churchmen present were Archbishop Ireland, Bishop Janssen, of Belleville; Bishop Byrne, Alton; Bishop Dunne, Dallas, Texas; Bishop McGavick, Chicago; Bishop Burke, St. Joseph, Mo.; Bishop O'Donaghue, Indianapolis; Bishop Scannell, Omaha; Bishop Foley, Detroit; Bishop Glennon, Kansas City; Bishop Alerding, Fort Wayne; Bishop Burke, Albany; Bishop Schwebach, La Crosse, Wis.; Bishop Byrne, Nashville; Bishop Trobec, St. Cloud, Minn.; Bishop Eis, Marquette, Mich.; Bishop Muldoon and Chancellor Barry, both of Chicago.

It is estimated that during the time the body of the dead archbishop lay in state in the Cathedral over 75,000 persons passed it in review. So great was the demand for admission to the services today that after the 1,800 visiting priests had been accommodated only two lay persons from each parish in the Chicago arch-diocese could be admitted.

"FRUIT OF THE LOOM."

Men and women of taste and judgment go into ecstacies over the wonderful patterns, textures and colors which are "the fruit of the loom." But there is one fruit of the loom they rarely consider, and that is the frail and failed woman, old before her time, because necessity compels her to work under conditions, which send her more favored sister to bed and the doctor's care.

The diseases which weaken and torment women, may in almost all cases be cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"I had female trouble for eight years," writes Mrs. L. J. Dennis, of 826 East College Street, Jacksonville, Ills. "Words cannot express what I suffered. I sought relief among the medical profession and found none. Friends urged me to try Dr. Pierce's Favorite Prescription. When I commenced taking this medicine I weighed ninety-five pounds. Now I weigh one hundred and fifty-six pounds—more than I ever weighed before. I was so bad I would lie from day to day and long for death to come and relieve my suffering. I had internal inflammation, a disagreeable drain, terrating-down pain, and such distress every month, but now I never have a pain—do all my own work and am a strong and healthy woman."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

SENATOR HANNA AT WINONA

WILL LECTURE THERE MONDAY, JULY 28.

He Will Discuss the Problem of the Relations of Capital and Labor on That Day.

Winona Lake, Ind., July 17.—For the past month the republican state committee has been making an effort to get Senator Hanna to come to Indiana this fall to help out in the state and the congressional campaigns by a series of speeches. Word has been received through Senator Beveridge that the Ohio senator would come to Indiana for a few days. His dates have not yet been made. The people of this section of the state, however, will have their opportunity of hearing Senator Hanna speak at Winona Lake the latter part of this month, but not along political lines. Senator Hanna has of late attracted world-wide attention by his attitude and by his suggestions how capital and labor can best work to their mutual interests. It is on this theme that he is to speak before the Winona assembly Monday, July 28, and to many it will be more interesting than a talk along political lines.

Additional interest will be given to the event by the presence of Samuel Gompers, president of the American Federation of Labor, who will speak, following Senator Hanna. In his line, Gompers is quite as much of a giant as is Senator Hanna, and under certain conditions probably wields greater national influence and power, as he has all the great union bodies of the country at his command. Gompers is as interesting as a talker as is Senator Hanna and is one of the most accomplished men before the American people today. He is able to address his tradesmen fluently in six different languages and can hold conversation in a half dozen more. This is of incalculable value to a man in his position, and this statement gives some idea of the ability of the man who wields the scepter of labor.

The people of this section of the state have not had an opportunity to hear Senator Hanna in the role of speaker and lecturer, and those who have always considered him a silent factor, whose most effective methods are in directing affairs instead of preaching them, will have a most delightful surprise. He is one of the most forceful speakers before the public today. He does not rely on set oratorical rules of gesture and expression so much as in making clear, hard statements and driving them home with the force of a sledge hammer. This is Mr. Hanna's first talk on the labor problem in Indiana.

A. R. Bass, of Morgantown, Ind., had to get up ten or twelve times in the night and had severe backache and pains in the kidneys. Was cured by Foley's Kidney Cure. Sold by Dreier & Bro. and Pellens & Polster.

NEWS OF THE POLICE.

Philip McGovern, a hobo tourist, was arrested with a jag early yesterday forenoon, but two of his partners got away. Later in the day the other two were taken into camp after a short but decisive battle between the hoboes and several officers on the day force. McGovern denied being drunk, but admitted that he had shot in a few beers and when arrested was trying to stand still and see the houses go by. He got $5 and costs, and so did Edward McGraw and Frank Simpson, his two partners, and the trio went over.

Charles Gordon was just as drunk as the other fellows, but he wasn't quite so fresh and not quite so tough. He admitted to being intoxicated, said he had never been arrested before and was not connected with McGovern & Co. He fared pretty well, getting out of the muss with eleven days.

Isaac Smith was rounded up as one of the young fellows who was in the party which heaved a brick through the plate glass window at Stein's liquor store a few nights ago. He pleaded guilty to associating with prostitutes and was fined $5 and costs, which he paid. Ed Houser, Frank Hamilton and Archie Nickum were also arrested in the same crowd and for the same offense. They, with Kinsley alias Jones, who was fined yesterday morning, and Isaac Smith, had been having a time with the girls who live over 122 Columbia street and all were pretty well loaded. An altercation ensued, during which a convenient Metropolitan paving block was hurled through the window. Everybody got away at the time, but all were known and the arrests followed very promptly. The last three were not ready for trial this morning and their case was continued until next Monday morning at 8 o'clock.

A diamond thief, supposed to be O. B. Lane, was operating at the Elks' carnival at Lafayette this week and this morning the local police were requested to look out for him. He is known to the local authorities and is regarded as one of the smoothest diamond sneaks in the country. A liberal reward is offered for his apprehension.

DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

POISONING THE SYSTEM.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dullness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and promote easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress. Meyer Bros. & Co.

CAME NEAR COSTING HER LIFE

HOBSON RESCUES GIRL WHO TESTS HIS DARING.

Hero of the Merrimac Jumps Into the River After Girl Who Leaped Into the Water.

St. Louis, July 17.—A girl's folly came near costing her her life at the Piazza Chautauqua, near East St. Louis, yesterday afternoon. But for the strong arms of Captain Richmond Pearson Hobson, the Cuban war hero, Miss May Cerf, of 1907 LaSalle street, East St. Louis, would have drowned. She was standing on the deck of a river yacht when she passed the naval officer swimming in the water. She had met him before, and as he smiled at her the girl called out banteringly:

"If I should fall in, Captain Hobson, would you rescue me?"

"I most certainly would," replied the lieutenant.

The words had hardly left his mouth when there was a splash, and the girl sank in the waters of the Mississippi. For a second only her skirts buoyed her up. As the white sailor hat worn by the girl went under the water the crowds on the banks of the river screamed with fright.

Captain Hobson realized the danger. He saw the joke had been carried dangerously far, and he started with long, strong strokes for the spot where the girl had sunk. Albro Gilbertson, of Elsa, Ill., his companion, swam with him.

To the terrified men and women on the deck of the yacht it seemed an age before Hobson reached the spot where the white sailor hat was seen last. He seemed to find no trace of the girl there, but shouts and gestures from the boat informed him that she had drifted a few yards down stream before sinking. Captain Hobson turned with the tide and floated, while he peered in the depths of the yellow water for the form of the girl.

Suddenly he dived and after a few minutes he reappeared on the surface with his arm grasping the shoulders of the struggling girl.

Probably Captain Hobson would not have been able to save the young woman without his friend's assistance. Although he is a fine swimmer, the current was strong, the girl's garments were very heavy and her struggling made it almost impossible for him to make any headway against the river.

It was all the two men could do to keep the girl's head above water until the yacht was finally brought so close that those on board could assist in the rescue.

Miss Cerf was too weak to speak or stand when eager hands grasped her. Both Captain Hobson and his companion were exhausted.

After a vigorous pounding and the administration of restoratives Miss Cerf revived, very limp, but smiling. To one of her girl friends she said:

"I know it was very foolish, but I knew I should be rescued."

Then she looked at Captain Hobson, who smiled rather grimly as he leaned against the deck rail. He congratulated her on her narrow escape from death and went into the cabin to put on his flannels.

Tuesday afternoon Captain Hobson delivered a lecture at the Piazza Chautauqua on a naval subject, and at its conclusion Dr. Jay A. Ford, in charge of the platform, delicately referred to the kissing proclivities of the hero of the Merrimac. He said:

"I now extend the invitation to the audience to come up and shake hands with Captain Hobson—shake hands, that's all."

A broad smile and some tittering passed over the assembly, and Captain Hobson good-naturedly joined in the smile. Afterward a party of young ladies who were invited, with the captain on the yacht "Camilda," discussed the remark.

"Well, you can't get him to kiss you," said some one to Miss Cerf, while the officer and Mr. Gilberson were in swimming. That banter came near costing two lives.

Colonel and Mrs. Hathaway, Adjutant and Mrs. Gue and Lieutenant Wright, of the Salvation Army headquarters here, will go to Huntington tomorrow to conduct a ten days' campaign in that city. Colonel Hathaway has lately been strongly urged by Huntington citizens interested in the good work of the army to come there and inaugurate the work. The meetings in this city will be suspended during the progress of the Huntington campaign. The Grape Cures of Germany

have proven to be almost infallible agents for the cure of Dyspepsia, Constipation, Liver and Kidney Troubles and General Exhaustion. Thousands flock to them from all parts of the world, and report almost miraculous cures. Progressive physicians universally recommend them.

Duplicated In America

You need not go to Germany now for the benefits of the Traubenkur or Grape Cure. The manufacturers of

MULL'S GRAPE TONIC

after years of careful experiments have succeeded in incorporating all the best elements of the German Grape Cure in this preparation, and have placed it on general sale in drug stores all over the country at only 50 cents per bottle. This is the most important step in medical chemistry taken in many years.

In the Summer Take Mull's Grape Tonic.

The heat of the summer tries the strongest constitution, and to those who are not able to go away for a long rest and change of air, Mull's Grape Tonic comes as a blessing of inestimable worth. To the enfeebled and sickly, it supplies fresh vitality and builds up the wasted tissues, infuses new life into the impoverished blood, and strengthens the entire human organism. Nor is it wise to wait until you are "all run down" before thinking to take it; you do not wait until the fire is nearly out before putting fresh coal on—then why treat your own body that way? If you are well, Mull's Grape Tonic will keep you well; if you are not well, Mull's Grape Tonic will make you well.

These Are Strong Testimonials.

For a mild Laxative and a general Family Medicine for man, woman or child, I consider Mull's Grape Tonic the superior of any remedy. Its pleasant to take, prompt in action, and the results are wonderful. Its power in building up a weak and run-down system is greater than any Cod Liver Oil preparation. I've tried them all. I write this hoping that some of my friends will read and profit by it. MRS. WM. STILLS, Glenwood Springs, Colo.

I was an object of pity, for my suffering was great, before I began using Mull's Grape Tonic. The pains over my hips and in my back were frightful. The doctor prescribed it. Rheumatism and Kidney Trouble, but he did not help me. The neighbors had given me up once this summer, but thank God I am here yet, and I know Mull's Grape Tonic saved me. God bless you and your wonderful medicine. MRS M. G. HONEYCUT, Center, Texas.

Gentlemen: I send you the picture of my little daughter, Nettie, who has taken Mull's Grape Tonic and been greatly benefited by it. She was troubled with catarrh in the head, and her general health was very poor. Since taking this medicine she is much stronger and her catarrh is nearly gone. I will have her continue using your tonic until she is perfectly well.

S. STERLING, 1508 S. Second St., Des Moines, Ia.

Our faith in it is so absolute that those who buy it and get no benefit may have their money back.

NOTE—If used with a little chopped ice in hot weather it will be found a delicious drink.

To smokers in Fort Wayne AND VICINITY

WE are doing everything possible to post you about the remarkable tobacco-quality offered in the TOM KEENE. It is now for the first time in the history of tobacco culture that a cigar of such character is sold for five cents. These cigars are made of a genuine delicious American-grown Vuelta tobacco, and conveys many of the best points heretofore given only in the highest grade goods.

The transplanting of the Vuelta sprouts to this country is the sensation of the tobacco trade. It is the first and only time it has ever been pushed to a successful issue. Through this the manufacturers of the TOM KEENE escape the heavy importation duty and are enabled to offer the American smoker that peculiar rich, velvety flavor for the first time in nickel goods.

Smokers who can appreciate a good cigar are the strongest missionaries for the TOM KEENE. All who try them are almost invariably found by dealers to return for more. We have never in our long experience witnessed such popularity for a cigar.

If you have never tried a TOM KEENE, just do so. You will wonder at its distinctly surpassing excellence over anything you ever smoke, before at the 5 cent price.

SMOKE IT—Tell your friends, and tell them to tell their friends.

MAY HAVE A LAUNCH RACE.

There is some rivalry among the launch owners at Rome City as to who owns the speediest craft, and many impromptu races are held every week. There are several very fast boats on the lake and some of the races are decidedly interesting. A number of the cottagers propose holding a launch race some time in the near future, or during the Venetian night festivities. The race will be open to all and the winner would be recognized as the flag-ship of the fleet and receive a suitable cup, to be raced for every season. The leading builders of launches are represented on Sylvian lake, the boat built by the Kehoe company of this city and belonging to Landlord Mills, of the Wayne hotel, being the largest owned by private parties.

GOOD AS CANDY.

Children Like Grape-Nuts.

Wise selection of food will help any one. The healthy people can keep well and those who are ill can obtain sure benefit by the steady use of Grape-Nuts.

A lady says, "To say that Grape-Nuts Food has been a help to me is putting it very mild indeed. For seven years I was an invalid suffering from extreme nervousness and weak, tired, exhausted feeling. I was compelled to lie down several times each day and the least exercise exhausted me. I was also unable to sleep nights.

I read many times of the remarkable results from the use of Grape-Nuts Food and finally decided to try it.

I ate Grape-Nuts three times a day in different styles for about three months, then twice a day, and have realized a wonderful benefit. I have grown strong and almost entirely well. Can do all my own work, and seldom have to lie down until I go to bed at night, then I enjoy restful sleep.

I do not become fatigued as I used to and am able to study more in my line of work (music). My brain does not get weary as it used to. My stomach is strong and I can and do eat three hearty meals a day.

We would hardly know what to do without Grape-Nuts for the house. The children often say, 'Mamma, make a great big pudding this time.' They enjoy the food as they would candy." Name given by Postum Co., Battle Creek, Mich.

Delicious recipes for warm weather desserts in each package of Grape-Nuts.

Out Lots

I now offer the 120 acres on Walton avenue immediately south of the Lutheran college land, price $24,000 for the entire tract, $200 per acre, which will retail out at $400 per acre. Good opportunity to double your money. Terms easy, small payment down, long time on remainder. When we cleared off the very heavy timber on this rich land, many years ago, 900 thrifty young shade trees were left for outlot purposes, all of which are still there and growing. The population of Fort Wayne is steadily increasing and a still more rapid growth is now about to develop.

Rock-a-Bye Baby

There are sweet words, but how much pain and suffering they used to mean. It's different now. Since Mother's Friend has become known expectant mothers have been spared much of the anguish of childbirth. Mother's Friend is a liniment to be applied externally. It is rubbed thoroughly into the muscles of the abdomen. It gives elasticity and strength, and when the final great strain comes they respond quickly and easily without pain. Mother's Friend is never taken internally. Internal remedies at this time do more harm than good. If a

woman is supplied with this splendid Liniment she need never fear rising or swelling breasts, morning sickness, or any of the discomforts which usually accompany pregnancy.

The proprietor of a large hotel in Tampa, Fla., writes: "My wife had an awful time with her first child. During her second pregnancy, Mother's Friend was used and the baby was born easily before the doctor arrived. It's certainly great."

The Wisconsin republicans endorse United States Senator Spooner for reelection most heartily, but with a reservation. Mr. Spooner will subscribe to all the platform declares and to nothing that it does not declare. In other words, Mr. Spooner will be wholly the creature of the convention or he non est.

If the city council settles the traction muddle, if the builder completes the South Wayne sewer and the contractors finish the street paving jobs, all in time, what a stupendous celebration we can have in this old town along with the dedication of the court house. It is a rather elaborate and complex dream, but it costs nothing to dream it and it is about as near the real thing as can be arrived at.

It would be cruel, inhuman to say the young lady who leaped into the water and came near drowning in order to have the ecstacy of being rescued by Captain Hobson would have met poetic justice if her folly had cost her life, but it is not improper to think that if her pa is big enough he ought to give her a salutary lesson across the paternal knee. Such foolhardiness is not commonly indulged in by women and this young lady has achieved not the distinction of being rescued by the hero of the Merrimac, but of proving herself the prize fool of her sex.

The freight handlers' strike in Chicago cost the merchants of that city $10,000,000 in damage to goods and loss of trade. It cost the railroads many hundreds of thousands in loss of freight revenues and the strikers probably as much more in wages. There is no way of estimating the loss the community and the country generally suffered in inconvenience and depredation. And the strikers have gone back to work on the terms offered more than two weeks ago. Looking the whole field of this trouble over, it is not hard to reach the conclusion that the freight handlers' strike was one that did not pay anybody.

From evidence submitted in police court by officers and others during the past day or two it appears tolerably clear that the houses of bad repute have not yet been entirely cleared off of Columbia street. The mayor's most recent order applied to this particular phase of the social evil in Fort Wayne and it is hoped there will be an immediate forward movement by the police on such resorts as remain on Columbia street—and other streets down town. The gambling situation is reported to be vastly improved, with not much more to be desired than that the mayor will cause the present condition to be permanently maintained. The only good there is in reform is that it shall stick, an aspect of the case that has been deplorably and conspicuously lacking heretofore in Fort Wayne.

OFFICIALS WILL OFFER THE LOTS FOR SALE.

An Appeal to the People of Fort Wayne by the Directors of the Commercial Improvement Company:

The Commercial Improvement company has purchased from the Rockhill and Swinney property sixty-one acres of land and about forty acres has been platted into building lots and the balance is to be reserved and will be donated for factory sites. The land lies west of the city, and is adjacent to the Pittsburg, Fort Wayne and Chicago and Lake Erie railroads, thus giving excellent facilities for shipping purposes.

The Fort Wayne Steel Foundry company will locate on this ground, if some substantial encouragement is given it in the way of ground and buildings. This company guarantees to employ at once 200 men, and will be a most desirable acquisition to the city. The stockholders of this company are some of Fort Wayne's most enterprising and substantial citizens, and their assurance that they will require at least fifteen acres of land and will ultimately employ 500 and perhaps 1,000 men, should be given due consideration.

The main building will be 60 feet wide, 480 feet long and 35 feet high, and will probably cost from $50,000 to $60,000.

Now the Commercial Improvement company proposes to give them five acres of ground and raise $30,000 to help defray the cost of their main building. To do this the Commercial Improvement company will have to sell nearly all its lots. Streets, sidewalks and main sewer will be completed.

The Fort Wayne and Southwestern Traction company's lines run through the property and will give a five-cent fare to and from the city. The lots will be 40x140 feet, and the low price of $250 each has been placed upon them. The terms of purchase are to be: $25 down, $25 at the end of thirty days, and $12.50 at the end of each thirty days thereafter until all is paid. These easy terms make it a simple matter for people even in very moderate means to own lots. Nearly all the employes of the steel plant will want to live near their work. These lots can be bought for speculation, or to put houses on for renting purposes, as an investment. No matter which plan is pursued the value of the lots will increase rapidly, and in fact will be worth double their present price before they are paid for. Now it is up to the people of Fort Wayne to show what encouragement they will give to a progressive movement of this kind; with what spirit of enthusiasm they will buy these lots; this will measure the amount of civic patriotism they possess.

Many people have already promised to buy from one to six lots; a committee will start out Friday and call upon the business people, principally, to see how many lots each is willing to take; let no one refuse; if you cannot buy several, take at least one, to show your good will for the project and your loyalty to Fort Wayne.

Subscriptions for these lots will be opened at once and any one desiring to purchase can call on or address H. C. Rockhill, secretary.

MRS. EDITH SPRADO DIES IN CHICAGO.

Will Be Remembered as Miss Edith Fairman Frankenstein, Formerly of Fort Wayne.

From Chicago comes the sad news of the death of Mrs. Edith Sprado, wife of Ralph Sprado, a prominent mechanical engineer in that city to whom she was wedded about two years ago. Mrs. Sprado was but twenty-one years of age.

Mrs. Sprado was at one time a resident of Fort Wayne, and will be remembered by many friends here as Miss Edith Fairman Frankenstein. She was the daughter of Mrs. M. L. Frankenstein by a previous marriage to the late Hon. J. K. Fairman, of Elmira, N. Y. Mrs. Frankenstein is now the widow of the late Dr. Frankenstein, formerly of Fort Wayne. Upon her father's side the daughter was a descendant of some of the earliest families in America, and upon her mother's side from the Earl of Rochester.

In her girlhood the young lady attended the old Clay school, going from there to Westminster seminary. In Chicago she had developed the vocal and dramatic talents which she possessed to a marked degree. The deceased will be recalled as an unusually beautiful young woman, of brilliant ability and charming attributes. Since her marriage she had made her home with her mother at 597 Washington boulevard, Chicago. The bereaved husband is at present in Australia on a business trip. Other surviving relatives include the mother and two sisters, the Misses Beatrice M., and Virginia G. H. Frankenstein.

IN JUSTICES' COURTS.

Henry Schroeder, living on East Wayne street, between Grant and Walton avenues, filed an affidavit in Tancey's court charging Daniel Wolf, who also lives on East Wayne street, with assault and battery. Both men are over sixty years of age. Schroeder claims that Wolf hit him with a stone, but this is not credited by any one who knows Wolf, who is regarded as a very mild-mannered and peaceable man, while Schroeder is regarded as a crank and is not on good terms with many of his neighbors. The case will be tried tomorrow.

The charge against Frank Craig, preferred by Melissa Hiser, alleging illegitimate parentage, will be tried next Monday. Meanwhile Craig has been remanded to jail in default of bail.

The July Stock Reduction Sale

Moves with its usual Magnet-like power---It draws.

We do not claim to have bale after bale, case upon case and thousands of yards of surplus goods that we have mistakenly bought, and are forced to get rid of at half the price we paid for them. We know that kind of advertising, to you, is amusing, but not creditable.

We have our usual amount of surplus stock in a number of departments, and in order to induce you to help us to cut this down, we make a general and genuine reduction in price on every article in our whole stock, with the greatest cut upon that portion which we wish especially to move.

This is reasonable advertising, reasonable selling, that wins the confidence of the public.

When you buy a yard of silk from us at 48c, you can be certain that it was not goods that we had been selling at 50c, advertised as worth 65c., to be sold at 48c.

When you buy anything in our suit and cloak room as a greater than usual bargain, you can depend upon it as being such, and not an article that has been advertised at a fictitious price and a supposedly startling reduction made on that price.

Goods bought at this month's prices are likely to prove bargains of more than ordinary value. Owing to present and expected labor troubles, the closing of a number of mills in many lines, will have a tendency to make goods scarce and, therefore, to say the least, no cheaper.

Purchases at our prices this month will be good investments for you.

RECEIVE DEATH'S SUMMONS

MRS. ELIZABETH FAILOUR DIES AT AGE OF 75.

Ernest Heuer, Well Known Wabash Shopman, No More—Other Deaths and Funerals.

Mrs. Elizabeth Failour, 75 years of age, and for more than half a century a resident of Allen county, died at 9 o'clock this morning at her home on the Decatur road, two miles south of the city. Death was due to a complication of diseases, and the deceased had been in frail health for more than a year.

Mrs. Failour was the widow of Jacob Failour, who died about twenty years ago. She was born in Ohio, but came with her parents, Mr. and Mrs. Joseph Keffer, to Fort Wayne when she was but ten years of age. For a short time they resided at Kendallville, but soon returned to Fort Wayne and later purchased a small farm south of the city.

Mrs. Failour was a most estimable woman, and a devoted member of St. Patrick's Catholic church. Surviving are three children—Wilson and Jacob Failour and Mrs. J. Trempel.

The funeral services will be held Monday morning at 8 o'clock from the residence and at 9 o'clock from St. Patrick's church.

HEUER.

Ernest Heuer, assistant foreman at the Wabash shops, died at 6 o'clock Wednesday evening from stomach trouble at his home, 1209 Summit street. Mr. Heuer was 50 years of age and widely known among the shopmen of the city.

He was born in Germany in 1850, came to Fort Wayne thirty years ago, and within a short time obtained a position in the Wabash shops. Here he rose by industry and merit to the position held at the time of his death. Though in impaired health for a long period of time, he had been confined to the bed but six weeks.

Mr. Heuer is survived by the widow and a son, Ernest, jr. The deceased was a prominent member of St. Paul's Lutheran church.

Funeral services will be held Sunday afternoon at 2 o'clock from the residence and at 2:30 from St. Paul's Lutheran church.

WILLIAMS.

Mrs. Emma Williams, wife of George Williams, died Wednesday night at the family home, 2538 Walton avenue, from tuberculosis. The family removed to Fort Wayne about two years ago from Lima, O.

Surviving are the husband and five children—Mrs. Steger, of Lima, and George, Charles, Raymond and Martha Williams, of this city. The remains were taken to Lima today and the interment will occur in that city.

SULLIVAN.

Stephen Clement Sullivan, the little son of Mr. and Mrs. John F. Sullivan, of 817 Cottage avenue, died Wednesday night from bowel trouble at the age of two years.

PASSINO.

Funeral services for Joseph Passino, whose death was briefly announced in The Sentinel Wednesday evening, will be held Friday morning at 8:30 o'clock from the residence, 2115 Lafayette street, and at 9 o'clock from St. Patrick's Catholic church.

Mr. Passino, who had reached the age of 79 years, was one of the veteran machinists of the city, having been employed twenty-eight years in the shops of the Pennsylvania company. For the past ten years, however, he had been upon the retired list. He was born in Canada in 1824 and descended from an old French-Canadian family. At the age of 15 he removed to Boston, and twelve years later located in Detroit, where he was married to Miss Rose Guerin, who survives him. The family came to Fort Wayne in 1859.

Surviving are the widow, a son and a daughter—Russell J. Passino, of Grand Rapids, and Mrs. Joseph Steiner, of Yokum, Texas. Mrs. George Passino, of Toledo, is an adopted daughter.

FUNERAL ANNOUNCEMENT.

Mennewisch.--Funeral services of Henry Mennewisch will be held from the residence, 2102 Oliver street, Saturday afternoon at 2 o'clock, Rev. C. F. W. Meyer officiating.

ABOUT THE COURT HOUSE.

Persons suffering from nervous prostration or in need of absolute quiet should arrange to spend their summer vacation in the Allen county court house. The catacombs are like dens of revelry compared to the sepulchral stillness which pervades every nook of the county building. Neither of the courts is in session, the commissioners have retired to their individual fig trees and other cool spots, the most of the clerks are on vacation, and nobody is working hard except Deputies Eicks and Ryan. They take it turn about keeping each other awake. Not a new case was filed today and the only thing that happened about the building all day was when Deputy Clerk Bercot was awakened by a man who, in a deep bass voice, demanded the privilege of buying himself a marriage license. In the sheriff's office there was just a show of activity.

Deputy Huguenard was sent to the Godfrey reservation shortly before noon to arrest John Godfrey on a charge of assault and battery on a man named Wellbaum. Godfrey had a gang of threshers at his place yesterday, and according to the terms of a contract provided for in the apportionment of the products of the reservation, Godfrey was to have surrendered several one-tenth parts of the crop to other heirs, and Wellbaum was the selected tithe-master. When he demanded the several tenths yesterday after the threshing was concluded he got nothing except an invitation to leave the premises before trouble set in. There was an argument and other diversions and the result was the filing of an affidavit before Justice France. The warrant was placed in the hands of Deputy Sheriff Huguenard.

Elated by recollections of their success last year, the court house clerks are getting swelled on themselves again and have challenged the lawyers to play a game of base ball at any time of the day or night and at any place on or off the map. The proceeds are to be devoted to buying oil for the court house clock.

When I was sick 2 years ago, with nervous prostration, palpitation of the heart, dizziness and general debility, I tried many medicines and several doctors, but grew steadily worse until I was unable to leave my bed, and no one expected me ever to recover. Four bottles only 2 bottles I was completely cured.

TREAT YOUR KIDNEYS FOR RHEUMATISM.

When you are suffering from rheumatism the kidneys must be attended to at once, so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose. E. T. I cannot speak too highly of this great medicine." Sold by Dreier & Bro. and Fellens & Polster.

BASE BALL

There was considerable activity yesterday in base ball circles, both on the base lines and in the business offices. Andy Freedman, owner of the New York team, made a coup de main which, while it may not prove disastrous to the American league, will prove very embarrassing at least for awhile. Mr. Freedman secured possession of a controlling interest in the Baltimore team and will in all probability forfeit the American league franchise there. He gained his point through his lieutenant, Mugsey McGraw, and immediately sent part of his players to New York, presumably to strengthen the team facetiously known as the "Giants," but really pigmies when compared with any other club in the league. Ban Johnson, president of the American league, says he will put a new team in at Baltimore within a week and that the disarrangement of the schedule will be only temporary.

St. Louis was shut out by Philadelphia yesterday and Boston escaped a shut-out by a lone run. Chesbro pitched for Pittsburg and it will be remembered by those who keep track of the games that in the last four games in which Chesbro pitched not a run was made by the opposing club. Up to the time Boston made their single run yesterday Chesbro had pitched 41 consecutive innings—on different days, of course—without a run being made off him. The attendance at four cities was 6,570. In the American league four games were played, none of which were remarkable except the one at Philadelphia, where the home team somehow managed to make nine errors, and the one at Washington, where 31 hits were made in the game. The attendance was 13,306.

In the American association four absolutely featureless games were played. Toledo lost, as usual, and the hoodoo which has followed Columbus for a month is still camping on the trail. Five errors back of Pitcher Thomas let in five runs in one inning, which gave Indianapolis the game after Columbus had it won. The attendance was 3,807. Results are given below:

TOURING GAS BELT CITIES

FORT WAYNE MEN WITH AN INSPECTING PARTY.

Stockholders of Gas Belt Construction Company Taking a Look at Telephone Work.

Stockholders of the Gas Belt Construction company, which has been for some months engaged in the building of independent telephone systems in a number of the prominent gas belt cities, are on a flying expedition today inspecting the work that is in progress.

The Gas Belt company was organized in Fort Wayne and capitalists from this city are very large stockholders. The Fort Wayne men in the party today left the city over the Wabash railroad at 6 o'clock, among them being George W. Beers, Samuel M. Foster, John Ferguson, G. F. Trier and F. V. Culbertson.

At Alexandria the party will be joined by other stockholders and will board a special car on the Union traction lines for the remainder of the trip, which will include inspection at Alexandria, Elwood, Anderson and Muncie. They will return home tonight.

VACATION DAYS.

Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds and wounds. "I used DeWitt's Witch Hazel Salve for sores, cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits. THE MARKETS.

Chicago, July 17.—Corn was the strongest cereal on the floor at the opening today. Receipts continued very heavy—492 cars—of which 223 were contract. Private elevators turned out 103 cars and 22,000 bushels, making a total of over 400,000 bushels of contract today. The weather continued excellent for drying and growth as well as for movement for the interior, and statistical journals issued very bearish reports. These conditions, however, had no weight with the shorts when the Harris-Gates crowd began by bidding up July options. The trade was all at sea as to what the buying meant. July opened ¾c to 1⅞c higher at 66c to 67½c and at once advanced to 68¼c. September opened ½@⅝c lower to ⅛@¼c higher at 59⅜c to 59⅝c and sold to 60¼c. After the advance of the first half hour the buying of July eased and that option hung fire while September slid back to 60¼c.

The trade considered the early action of the corn bulls simply a ruse to get the price up to a figure where the bulls could unload some more of their high-priced cash receipts. Consequently the shorts stopped taking the stuff and after July had reached 69c it turned tail and dropped to a weak close, ⅜c under yesterday, at 65¼c. September, however, held firm, largely because of the July premium and doubt as to whether or not the squeeze in this pit was really over. The option went to a strong close, 1⅛@1⅜c up, at 61½c.

Wheat started out steady in spite of a good array of bearish news being sustained by corn. Cables were lower, receipts larger than were estimated and the weather was almost perfect. Trade papers stated that east of the Rockies everything looked very favorable. Trade was light early, but there was a fair demand from the crowd that sold short late yesterday. September opened a shade lower to a shade higher at 71⅜c to 71½c and advanced to 71⅞c. Local receipts were 150 cars, only 1 of contract grade. Minneapolis and Duluth reported 227 cars, making a total for the three points of 377 against 260 last week and 444 a year ago.

Wheat was sold for a time, but the crowd was afraid that the pit was oversold and September closed firm, ⅜c up, at 72@72⅛c.

Oats showed good and legitimate strength at the opening. Receipts were 53 cars, of which only 6 were new and 3 of contract grade. Cash business was good and consumers were taking stuff at a big premium over July. The current option seemed oversold and in the first hour July advanced 1¾c to 52c. September opened unchanged to ¼c up at 31¾c to 31⅞c and soon topped 32⅛c. Crop reports were rather favorable, but near futures maintained their show of strength on the fear that new arrivals would be insufficient to meet the demand.

Provisions were dull and steady. September pork opened 2½c down at $18.62½. September lard 2½c lower to unchanged at $11.12½@11.15, and September ribs unchanged at $10.85 and eased 2½c.

THE STATE OF PUBLIC WORK

PROGRESS BEING MADE BY THE BARBER COMPANY.

Part of Columbia Street Has Been Given Brick Surface—Work on Main Street Soon.

The board of works will meet this evening in regular session and among other things will confirm the assessment rolls for the sidewalk improvements on Fletcher avenue from Maumee avenue to the Wayne Trace and on the east side of Reed street from Green street to Creighton avenue. No other business of importance has yet been filed.

Member Doehrman, of the board, was about the city hall today for the first time for any length of time during the past three weeks. He has been giving his exclusive attention to the concreting of East Wayne street, which job was completed on Tuesday night.

The gang immediately moved to Buchanan street and concreting on that thoroughfare was commenced yesterday. Mr. Doehrman could not say positively when the asphalters will commence on East Wayne street, but thought work would be commenced very shortly; he said that he knew as a matter of fact that the Barber forces are not yet through with a contract at Marion and that they will not commence in Fort Wayne until after Marion is completed. He feels sure, however, that the surfacers will catch up with the concreters on Buchanan street, which is not unlikely, but at that it don't help out Wayne street any. Part of Wayne street was ready for the asphalters two weeks ago and property owners are kicking at what they consider unwarranted delay.

Contractor Moellering is pushing Columbia street rapidly and by tonight will practically have the north side of the track completed. The concreters will get through by noon tomorrow and then there will be nothing to wait for but the sweet pleasure of the Bell telephone company, who evidently don't like to move poles only in the last quarter of the moon. The board says that orders have been given to proceed with the West Main street pavement on Monday. Work on the South Wayne sewer is practically at a complete standstill and today not a bricklayer is at work. One half of the force is sick and the other half has a case of diphtheria at his house and is quarantined. About 300 feet of open work still remains to be done on that contract and the end is not even in sight.

MILK TESTS GOOD.

Health Commissioner Marbeth has completed the examination of about 40 specimens of milk, all but one of which was up to standard and many were considerably above. The faulty one was shy only on butter-fat and showed no signs of adulteration with anything stronger than pure spring water. In the meantime nobody has seen any signs of red milk cans labeled "skim milk," as required by the ordinances.

CITY HALL NOTES.

A. R. Schnitker has been granted a permit to erect a $1,200 house on Walton avenue.

The special committee to revise the last section of the Fort Wayne Traction company's proposition will meet this evening at the city hall. The committee consists of Bauer, Glenn and Hosey, with the city attorney added, and their conference will be with Messrs. Barrett and Scott, of the traction company. The proposition is to agree upon some plan by which both the company and the city can be protected in the matter of ordering future extensions.

The council will meet as a committee of the whole tomorrow night and expects to finally dispose of the Fort Wayne Traction company franchise.

A FRIEND'S ADVICE

WILL OFTEN HELP YOU GREATLY—READ WHAT A FORT WAYNE CITIZEN SAYS.

You may hesitate to listen to the advice of strangers, but the testimony of friends or residents of Fort Wayne is worth your most careful attention. It is an easy matter to investigate such proof as this. Then the evidence must be conclusive. Read the following:

Mrs. John Falcones, of 71 West Williams street, says: "I gave Doan's Kidney Pills, sold at Meyer & Co.'s drug store, a good trial and I can honestly say that I believe them to be the most worthy remedy and one that can be depended upon in any case where it is possible for medicine to cure. Kidney complaint seems to run in our family and I suffered from it for a long time. Before I began to take Doan's Kidney Pills I had terrible pains across the small of my back, and it was so lame that I could hardly stoop or move about to attend to my household work. After I finished the second box of this valuable remedy all the symptoms of my former trouble passed away."

A BIG EXCURSION

OVER 400 PEOPLE GO TO WINONA THIS MORNING.

BEN M'FERRAN A FLAGMAN

FORMER CLERK TAKES A POSITION IN THE SOUTH.

ED PARRY MAKES A CHANGE

BECOMES EXPENSE CLERK AT NICKEL PLATE WAREHOUSE.

The Grand Rapids and Indiana company brought in a special train of nine coaches and a baggage car at 9:15 o'clock this morning, filled with excursionists and their luggage, bound for Winona. The train started from Richmond, picking up passengers at all points en route, and came in here with 415 people aboard. It was hauled by engine 72 and was in charge of Conductor James J. Hayes and Engineer T. J. Cushing. Over the Pennsylvania the train was handled by engine 284, with Engineer William F. Jungles at the throttle, and was in charge of Conductor A. W. Miller. Several Fort Wayne people, including Judge and Mrs. W. J. Vesey, who had friends in the excursion party, joined them here and accompanied them to Winona.

FORT WAYNE THE BEST CITY.

Road Foreman C. R. Colmey, whose return from an extensive eastern tour was mentioned a few days ago, is more fully impressed than ever with the beauty and worth of Fort Wayne. "During my travels," he said, "I did not see a city the size of Fort Wayne that was so well provided with manufacturing establishments and other labor employing sources, nor with as good business houses, private residences, city and county buildings as this one. Nor did I see a country where the agricultural prospects were as good as they are today in Indiana and Ohio. Fort Wayne is the banner city of its size in the United States and I am proud to claim citizenship in it." Mr. Colmey's sentiments are those of many others who have the opportunity to make comparisons.

FIELD DAY PROGRAM COMPLETE.

It is up to the weather man now to complete arrangements for a successful annual athletic tournament, base ball games and races next Saturday. Everything that man can do for the success of the affair has been done by the energetic and competent committees who have had charge of the work ever since last April and only the weather—very disagreeable weather—can intervene between them and the brilliant event they have planned. Final arrangements for the event were made last night when the committees gave the Hartzell company and Frank Deck the refreshment privileges. The shopmen are more enthused over the coming meet than they were over the previous one, and particularly are they interested in the 9 o'clock ball game at League park and the horse races. It is hinted that both the Fort Wayne and the Allegheny men have gone outside the ranks to get a few players, which would seem almost unnecessary under the circumstances, for there is good material for a ball club in both shops. A desire to make the game equal to any of the professional games pulled off in this city has prompted the management to go outside for players and the public will show its appreciation of this effort by the largest crowd that ever assembled at the ball grounds.

HAS A BETTER JOB.

Ed Parry, for some time night seal clerk at the Lake Shore freight house, resigned that position last Saturday evening and Monday morning took a position as expense clerk with Agent H. C. Moderwell, of the Nickel Plate. In making the change Mr. Parry secures a better salary and more pleasant work. The young man is a brother to W. A. S. Parry, inspector for the Central Freight association.

WABASH PAY CAR.

The Wabash pay car will be in this city twice this month. The first visit will be made next Tuesday, which will be pay day proper for the shop employes and as many of the road men as can meet the car on that day. The second visit will be on Friday, July 25, when those who fail to be served the first time will receive their earnings.

SWITCHMAN MARRIED.

Mr. and Mrs. H. A. Fletcher arrived in the city last evening and will soon be comfortably domiciled at 210 West Butler street. They were married last Thursday at the home of the bride's parents, in Canal Fulton, Ohio. The bride's name was Miss Ada Kauffman and she was one of the leading young ladies of her home city. Mr. Fletcher is a switchman in the employ of the Pennsylvania company and he will probably resume his duties tomorrow.

STEAM SHOVEL DISABLED.

An aggravating accident happened to the steam shovel employed in excavation work at the site of the new Pennsylvania roundhouse yesterday afternoon—aggravating because it caused a partial suspension of operations all of last night and a good portion of the forenoon today. The wrest pin broke and the shafting became deranged, making it necessary to "strip" the entire machinery, a task which kept a gang of mechanics busy throughout the night.

LABORERS BADLY NEEDED.

"We need laborers badly," said Supt. T. R. Pickard, of the Bass Foundry and Machine company, this morning. "We could give employment to fifty good men, but we cannot get them. I find that we pay the topmost wages for common labor in shops and cannot understand why we do not get all the help necessary."

DISCUSSING PIECE WORK.

Master Mechanic B. Fitzpatrick, of this city; G. P. Sweeley, of Allegheny, and G. C. Bishop, of Wellsville, held a meeting at the Pennsylvania shop offices today, discussing matters pertaining to shop work. These gentlemen constitute the Pennsylvania's piece work committee.

IS NOW A FLAGMAN.

Ben McFerran, for several years a clerk in the office of Pennsylvania shop Clerk J. H. Hobrock, but who resigned several weeks ago because the confinement was undermining his health, is receiving material benefits from a sojourn in the sunny south and it is quite likely he will remain permanently in Birmingham, Ala. He has increased his weight fifteen pounds since he left Fort Wayne. Ben is now a passenger flagman on a railway running out of Birmingham and writes that he is pleased with the position. Mesdames John H. and Ben McFerran will arrive in the city the latter part of the month and will remain here, the guests of relatives, about a month.

GONE ON A SAD MISSION.

Mrs. Charles A. Szink, wife of the engine painter, and her son, Edgar, a blacksmith in the employ of the Pennsylvania, left today for Altoona, where Mrs. Szink's mother, Mrs. John Robinson, is supposed to be lying at the point of death. A telegram conveying news of the serious condition of the aged lady was received early this morning.

BENEFITS OF PER DIEM RULE.

H. E. Elliott, traveling representative of the Indiana Car Service association, was in the city a few hours today, calling upon old associates and business men. Mr. Elliott says the adoption of the per diem method of handling cars has had a wonderfully beneficial effect upon the supply. It has driven all the cars, or nearly all, to their home lines and has made them readily available to the shippers on those lines. Mr. Elliott says there is no apparent diminution in the volume of business in this state, but it is being handled more promptly than formerly because of the salutary effects of the per diem method of handling cars. Mr. Elliott was formerly the local agent of the association, a position now held by J. O. Goff.

WILL ATTEND THE FUNERAL.

Information of the death of Ernest Heuer was a most unwelcome and sad bit of news to the employes in the Wabash shops, and particularly to those in the boiler department, where the deceased had worked so long and where he was a general favorite. The men will turn out in a body Sunday afternoon to the funeral. Those residing west of Calhoun street will assemble at the shop and thence go to the house, and those residing east of Calhoun street will go directly from their homes to the house of their late comrade, to join their associates in paying the last tribute of respect to their friend and shopmate. The pall bearers will probably be chosen from the ranks of the shopmen.

ANOTHER ADDITION TO FORCE.

This morning several men were added to the pay rolls of the Fort Wayne Electric company. Among them were C. W. Cook, in Foreman Schultz's room; Fred Deikes, in Tony Miller's room, and Frank Conroy and William Bernhart, in Foreman Adolph Stube's room.

SAFETY GATES BROKEN.

An unruly team dashed into and broke down one of the safety gates at the Calhoun street crossing of the Wabash and the Pittsburg roads this morning. These gates have been broken at least every month this year and accidents of this kind are becoming monotonous, to say the least.

HEAVY TRAVEL NORTHWARD.

The hot wave is exerting an influence upon summer travelers to hasten their departure for the cool northern resorts and the movement in that direction has already reached considerable proportions. The Grand Rapids and Indiana company's train "Northland" had 120 passengers aboard when it pulled out of this city last night. All of these people were bound for Petoskey or points north of that resort. To secure a berth on this train the prospective traveler should make application a day or two in advance.

INDUSTRIAL NOTES.

Pittsburg Engineer A. A. Greenlich is off duty on account of sickness.

Foreman James Murray, of the Wabash boiler shop, has hired John Kull, who went to work this morning.

Nickel Plate Conductor C. LaPoint is off duty on account of sickness.

William Palmer, a hammersmith at the Bass shops, is confined to his home by sickness.

President M. E. Ingalls, of the Big Four company, is spending a few days at Yellowstone park.

Machinists E. B. Kent and A. G. Craig have taken positions in the night gang at the Bass shops.

Nickel Plate Brakeman F. C. Crawford has gone to Fostoria for a visit with his folks. He formerly resided in that city.

Brakeman M. J. Miles resumed work on the Nickel Plate yesterday. He had been in the country upon a concerting expedition.

Adam LaMar, assistant chief car inspector of the Pennsylvania, left last night on a business trip which will include a short stop at Cleveland, Pittsburg and Toledo.

Assistant Trainmaster W. E. Davis, of the Pennsylvania, has gone to Cleveland to serve on the auditing committee for the Pennsylvania Voluntary Relief association. Upon his return home he will enter upon his vacation.

John G. Fratus, a machinist, resumed his old place in the Wabash shops this morning after an absence of two weeks. He had one of his hands injured and erysipelas set in, making the member quite sore for awhile.

Machinist William Webrs, jr., of Foreman A. Keyser's department of the electric works, has obtained a six weeks' leave of absence and will leave this evening for the Pacific coast, where he will visit all points of interest.

President W. H. Caniff, of the Nickel Plate, who had been in Chicago several days looking after the company's interests during the freight handlers' strike, passed through the city at 7:30 last evening en route to his home.

Conductor M. E. Baum, of the Nickel Plate, resumed work yesterday after an absence of two months. While out on the road he slipped and fell in getting off his train and one of his hands went under the wheels. A finger was crushed so badly that amputation was necessary.

Thomas Harper, some years ago a passenger conductor on the Nickel Plate road, but now general yardmaster in Virginia of the Baltimore and Ohio, is in this part of the country visiting his friends. His brother, Conductor E. J. Harper, of the Nickel Plate, is taking a lay off for the purpose of visiting with Tom.

Night Foreman W. S. Fitch and Tallyman H. C. Hartman, of the Pittsburg freight house, have reported for duty after being off two weeks on the summer vacation.

Perb Davis, of the Pennsylvania yards, is again suffering with his old malady, gall stones, and may have to be off duty several days. He has in contemplation a western trip, which may have to be postponed also on account of his sickness.

Mrs. W. C. Hamman, wife of the Pittsburg watchman at Broadway, and her children, who were visiting at Pierceton, Ind., returned home this morning after an absence of three weeks. They were accompanied by Miss Lotta Menzie, a niece of Mrs. Hamman's, who will visit here awhile.

There were two accidents in the Pittsburg shops last evening, neither being very serious. John Kiser, of the planing mills, had a thumb caught in the machinery he was operating and the end of the member was cut and bruised. J. S. Johnson, a machinist, had an eye injured by a piece of steel getting into it. Blacksmith Frank Stenger is sick and J. H. Arnold is off duty for unknown reasons.

MOTHER ALWAYS KEEPS IT HANDY.

"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. Meyer Bros. & Co.

"FORCE" FOOD CO.
Buffalo, N. Y.

I have introduced "FORCE" at my breakfast table, and must say it is the most pleasant breakfast dish I have ever found. The ordinary breakfast foods, while of nourishing properties, are to me more or less unpalatable, and after their use for a week or so I have become tired and sought a change; thus it has gone from one food or preparation to another. I have gotten so now that I look forward with expectancy to my breakfast, which is something I have not done in a long time, and as the "FORCE" Food is at my plate every morning I eat it with the greatest relish. I don't say this as "taffy" or flattery, but it is an honest fact that I think "FORCE" Food is the most delectable breakfast dish I have ever tasted for its health-giving qualities. Its crispness and savory flavor is something new and unrivalled.

Yours very sincerely,

Name sent on application.

FISHING TACKLE

Our Special Sale For Tomorrow At Jamas M. Kane's

WILL OVER-SHADOW AND THROW ALL OTHERS INTO THE SHADE.

We demonstrate every day our ability to sell superior goods with our tremendous outlet for wholesale and retail at prices lower than prevail elsewhere. No deceptions or misleading at Kane's; all goods marked in plain figures. Blowing don't count. No man in Fort Wayne can buy direct from Holsworth a spinner but Kane—same of Alligator lines and all first-class tackle—unless he pays second and third profits. Our new rods, new lines, new reels, new bait—everything on the market to be found at Kane's—so much we cannot enumerate one-half. If I wanted to advertise every man's name I sell one only reel to, my list would reach Kalamazoo and come back by way of Tim-Buc-Too. Only small, bob-tail jumping jacks would do such a thing. Ten Doris says he pays no attention to anything outside of Chicago and the world. P. S.—Barring none. What a distance for a yap of three months' experience. I understand he is in the mouse trap business. Keep one yourself; it will not be too small for you when I get through lashing you to fury with low prices from first hands. Eight dozen beetles! Is it not a mistake of seven dozen and ten, or one-sixth of a dozen? Buy where you will find a full stock and low prices, at
